DEDICATION

By recommendation of the Resolution Committee at the Wednesday morning session of the annual meeting, the 1986 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Rev. Fred Wells.

IN MEMORIAM

A family, a church, an association and a host of friends suffered a great loss when the Rev. Fred Wells died on April 28, 1986 at the age of 69.

For eleven years Bro. Wells was an effective pastor and leader of the Midview Baptist Church. Under his guidance and influence, the church experienced much growth in membership, and considerable improvements to the building and grounds.

These changes included the installation of a baptistry, additional space in front of the building, ramp for the handicapped, porch, steeple, wall-to-wall carpeting in the sanctuary, repainting of the outside and inside of facilities, dedication of a fellowship building, and the purchase of 23.47 acres of land adjacent to the property for recreational purposes. These improvements were made possible because of much love and loyalty by concerned and consecrated members of the church under the inspiration of their beloved pastor, Bro. Wells.

In 1985, the last full year of Pastor Wells' leadership before he suffered poor health because of heart and circulation problems, Midview received 23 new members, and 20 of these were for baptism.

Long before Rev. Wells became a pastor, he was an able and effective layman of the Oak View Baptist Church where he served many years as a deacon, Brotherhood director, Sunday School teacher and Church Training leader. During this same period he served as associational Brotherhood director and fund raiser for a chapel for the Western Carolina Center, an institution for the mentally retarded located in Morganton.

When Mr. Wells responded to God's call to the Christian ministry at the age of 56, he interpreted the call to preach as a call to prepare to preach. So he soon enrolled at our Fruitland Bible Institute near Hendersonville, and later graduated after considerable sacrifice because of the lack of funds. He was able to secure the necessary funds, however, by borrowing money and because of the generosity of the Oak View Baptist Church, and the salary of the Westover Baptist Church where he served as interim pastor for a six months period.

The writer of this tribute had the privilege of serving with Bro. Wells when we were members of the Kings Mountain Ministerial Association. He was the able president of this interdenominational, inter-racial group for a year, and over the years was instrumental in raising thousands of dollars for the poor and disadvantaged of the community.

For all the years that this good man served the Lord as a layman and a minister, he was a stauch supporter of the Kings Mountain Baptist Association. He thoroughly enjoyed attending the various meetings and supporting the work of the association, convinced that the churches can do much more together than they can separately.

This eulogy would be incomplete without some words of praise to Bro. Wells' widow, Ethel, who ably assisted her husband of 49 years in everything he did for the Master's cause. If Bro. Wells could speak, he no doubt could and would say that home, church and associational life with his wife meant more to him since they started their lives together than he could ever express.

J.C. Goare, Interim Pastor
New Prospect Baptist Church

A Brief History Of

First Baptist Church, Kings Mountain

Mrs. Frances Lou Smith Cornwell moved to Kings Mountain and requested that her church membership letter from Old Long Creek Church, near Dallas, be moved to Bethlehem Baptist Church. It remained there until September 15, 1890 when she called for her letter in order to organize the First Baptist Church in Kings Mountain. Mrs. John Thomas Kendrick assisted Mrs. Cornwell in her efforts.

These persons organized meetings to be held in homes and places such as the Methodist building and the Lutheran building so that people could gather for prayer and plan for a Baptist church in Kings Mountain.

It is not known whether Rev. McManaway or Rev. M.E. Matheny was the first pastor; however, Rev. J.E. McManaway was the first missionary to receive financial assistance for the organization of First Baptist Church in Kings Mountain.

The First Baptist Church of Kings Mountain was admitted to the Kings Mountain Baptist Association on March 21, 1890. According to associational minutes, it is believed that the Sunday School was organized late in the year 1891. Mr. A.E. Clayton was the first Sunday School Superintendent. A lot which was located on the corner of Mountain Street and Piedmont Street was donated for a church home.

Rev. J.J. Beach was called July 8, 1907. Outstanding activities during his pastorate were: a lot was purchased to build a parsonage, a building committee was appointed and a building fund begun for the purpose of erecting a new church building. On April 12, 1914 the first service was held in the basement of the new building.

Construction of an educational building was begun on March 22, 1950. In 1957 the church accepted a gift of land to relocate the First Baptist Church to the corner of West King and Sims Street. On July 3, 1960 the congregation held a "ribbon-cutting service" and the first worship services in the new building.

On June 18, 1961 the church called R. Allen Jolley as full-time Minister of Music and Education.

In 1967 the church voted to proceed with plans for building an addition including the fellowship hall and to renovate the temporary fellowship hall.

The Ben T. Goforth, Jr. property adjoining the church site was approved for purchase on May 29, 1968 with the home to be used as a residence for furloughing foreign missionaries.

The congregation on November 27, 1983 approved the "Together We Build" program and on September 22, 1985 held the final service in the old building and proceeded to the new sanctuary for dedication services.

On August 29, 1984 Mike Landrum was called as Minister of Youth.

The present pastor is Dr. Joel P. Jenkins, Jr., and the present church membership is 720.

A Brief History Of Macedonia Baptist Church, Kings Mountain

Macedonia Baptist Church was organized October 31, 1920. Rev. J.O. Fulbright, pastor of First Baptist Church, Kings Mountain, North Carolina, was elected Moderator of the Presbytery and D.F. Hord, Secretary.

The door of the church was opened and seven men and six women were received as charter members. W.H. Moss, R.A. Bookout, S.C. Jolley and Theodore Moss were elected to serve as the first deacons of the church. These men were ordained before the meeting was adjourned.

Rev. J.J. Hicks was called to serve as the first pastor of the church and served until September, 1924. Other pastors and the order in which they served are: Clarence Wylie, Wesley Davis, W.T. Doster, A.G. Melton, J.V. Frederick, C.B. Bobbitt, R.L. Hardin, T.A. Lineberger, Wayne Ashe, L.D. Scruggs, and Tom Patterson.

There have been three buildings in the life of Macedonia Baptist Church. The first building, a small frame structure, was erected shortly after the church was organized. It was replaced by a larger frame structure built in 1928. The present brick building was completed and dedicated on Easter Sunday, 1959, during the pastorate of T.A. Lineberger.

The present membership of the church is 477. Currently, Jesse A. Bailey serves as pastor and Delores White serves as Minister of Music and Education.

PREAMBLE

We, the members of Missionary Baptist Churches in the County of Cleveland, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district Association in conformity to the following plan:

ARTICLE I NAME

The name of this body shall be the Kings Mountain Baptist Association.

ARTICLE II PURPOSE

Under the leadership of the Holy Spirit, this association of churches seeks to further the Kingdom through the following:

(1) the fostering of fellowship and cooperation among the member churches;

(2) the ministering the spiritual and physical needs of people;

(3) the giving and receiving of information, assistance and training for member churches;

(4) the cooperation with North Carolina Baptist State and Southern Baptist Conventions.

ARTICLE III MEMBERSHIP

Section 1: The Association shall be composed of cooperating Baptist churches in the area of the Association.

Section 2: Churches desiring membership in the Association shall apply to the Membership Committee. Application should include:

1. Formal action by the group seeking admission reflecting that 75% of those voting expresses their intent to cooperate.
2. A written statement reflecting their beliefs and practices.
3. A written statement that expresses their intent to cooperate.
4. A willingness to meet with Membership Committee to discuss other items of mutual interest to both parties.

The Membership Committee should be sensitive to groups seeking its services and be willing to present a statement of Baptist belief and practice and what it means to cooperate with the churches in the Association in a world-wide mission program. If recommended by this committee and accepted by the Association, a mission or a church shall agree to come under the watchcare of the Association for a minimum of one year. Membership within the Association shall be determined by vote of the Association at its annual meeting. Churches under the watchcare shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

Section 3: The Association shall be the sole judge of its membership and may receive churches, or reject churches, according to its constitution and by-laws. Member churches may also withdraw as they desire, and if requested, the Associational Executive Board may grant letters of recommendation to other like association.

ARTICLE IV MEETINGS

Section 1: The Association shall meet annually on Tuesday and Wednesday after the third Sunday in October and continue until the business of the Association is disposed of.

Section 2: Special meetings may be called by the Moderator or Executive Board, provided two weeks notice is given to the member churches.

Section 3: Each church shall elect annually, in addition to the pastor, two messengers to the meetings of the Association for each fifty members of the church, provided each church shall not have less than three nor more than ten messengers. **Along with all associational officers,** these shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include only those in attendance and registering at the Associational Meeting.

ARTICLE V AUTHORITY

Each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches except as provided in this Constitution in Article III, Section 2 and 3.

1986 ANNUAL REPORT
DIRECTOR OF MISSIONS

This has been a fruitful and exciting year for the Kings Mountain Baptist Association. We have experienced growth in the joint ministry of our seventy-three churches and one mission.

I have kept a record of my activities for the year. I began this process as a means of determining how my time was being spent. This record has served that purpose.

I am most grateful for the opportunities churches provide me to assist them at points of need. It is my prayer that the service we render will enhance opportunities of service.

Last year Christopher Road Mission was a struggling dream. We hoped to buy a lot. We prayed that we might secure adequate space for learning and worship. Today the mission owns 5.3 acres of land. A mobile unit was added for educational space. Construction is under way for the first unit, a 90' x 40' building. The Baptist Men of North Carolina, under the leadership of David Langford, brotherhood director for the state, promised us to volunteer labor to build the first unit.

The Christopher Road Advisory Committee felt they could raise the money for the material. I am very pleased to report both are working beautifully. We have had more volunteers than we could utilize. We currently have $37,333.11 in the Christopher Road Building Fund and some bills have been paid. It is a miracle the way all this has come together! The mission congregation should be in the new unit before Christmas. Praise the Lord!

The Renovation Committee, under the leadership of Rev. Jeff Brendle, has completed plans for the completion of the basement. The association has approved these plans as well as the financial plan. The Special Gifts Committee is doing a superb job in soliciting funds for this project. Funds are now in hand that will enable the Renovation Committee to seek bids. If these come in under the limitations, then construction will begin after January 1, 1987. The completion of the basement will make this part of our office so much more serviceable. We look forward to its completion.

A committee was appointed to study the possibility of another staff person at the associational level. The committee, under the leadership of Rev. Richard Plyler, has been meeting and compiling information and assessing needs. A progress report will be made to our Annual Meeting.

Money talks. If this is true, you will rejoice in the growing financial strength of our joint ministry. This past church year receipts came to 93% of the projected budget for a record total of $141,304.42. This is a 10% increase over last year.

More and more churches are reaching toward the goal of giving 4% of their budget dollar to associational missions. Some have adopted a program of increasing each year until they reach the 4% level. The growing participation in missions right here in Cleveland County is a great encouragement to your staff.

The Baptist State Convention offered our churches a team of four college students for the summer. With the assistance of our Finance Committee, and Gardner-Webb College who provided housing at a very modest rate, we were able to work it out. James Langley, Charles Cox, Delores Case, and Susan Beck who came to be known as the "A" Team did a tremendous work. They worked anywhere and everywhere they were asked to serve. In their wake they left a spiritual impact, confidence in Christian college kids, and a love that will linger on in the lives of those they touched.

Connie Long has been our Associational Summer Worker for three years. Connie will be completing her last year at Southwestern this school year. Our churches, children and youth will remember Connie. She was a blessing to us. Along with her own responsibilities this past summer, she assisted the "A" Team and became a real support person to them. Connie has chosen not to be with us next year as she has plans for other endeavors. We wish her God's richest blessings and have real gratitude for the blessing she has been to our churches and the associational staff.

When I became Director of Missions for the Kings Mountain Baptist Association, I had dreams that were far reaching but my dreams have been exceeded. This came true because the people who constitute this association of churches had dreams also. Together with shared dreams and goals the Lord has worked mightily among us and we praise Him for who He is and what He has done.

Respectfully submitted,
Rev. Cline W. Borders

1985-86 ANNUAL REPORT
CHRISTIAN SOCIAL MINISTRY DEPARTMENT
KINGS MOUNTAIN BAPTIST ASSOCIATION

The Christian Development Committee has functioned for one year now and has done quite well. Many of our ministries have been expanded and activities have increased. I have been pleased with the progressive involvement of new folk in positions of leadership in our ministries.

Our number of times that volunteers have participated is overwhelming. I am so grateful for the ongoing tremendous response of the members of our seventy-three churches as they continually respond positively to ministry opportunities throughout Cleveland County.

Our good news of sharing His love is illustrated in the reports of ministry listed below.

I. **Prison Ministry:** We have four basic programs at the Shelby Prison Camp on Kemper Road. 1) Volunteers conduct worship services every other Tuesday evening. We have averaged four volunteers for each service and twenty-one inmates. Twenty-seven church groups have assisted by providing refreshments. 2) We have Bible Study weekly on Thursdays and recently have had Bible Study on Mondays, also. Four volunteers have been involved in this ministry. Average attendance from the inmate population has been fourteen. 3) We were able to provide the one hundred sixty-five inmates at the prison camp with a gift packet at Christmas time. Twenty-three church groups/individuals participated by either giving gifts or money. Sixteen volunteers from three different churches processed the items into gift bags. 4) We began a new element of ministry this year. On Sundays during family visitation—one Sunday a month, we provided light refreshments for the inmate and his family during the time of visitation. In May we also took polaroid family pictures to give to the inmate. Six churches were involved in this ministry, which began in regularity toward the end of the year. Six volunteers have participated.

II. **Jail Ministry:** This year we were only able to have one camping experience with our Juvenile Court youth. We had eleven youth to go and eight volunteers. Everyone enjoyed the weekend at South Mountain Baptist Camp. The weather was good and most were able to enjoy the hike up South Mountain.

In January 1986, nineteen juveniles and four adults participated in the Final Step Program at Western Correctional Facility. Meals and transportation were furnished for those attending.

We also helped to sponsor a camping trip in August for the youth at the Lutheran Group Home.

In this Sunday ministry we averaged fifteen migrants each meeting time. There were three hundred twenty-five volunteers who participated. A new element of ministry was added. This was a class each Sunday in conversational English. The migrants seemed to look forward to this because most of them were Spanish speaking. We also used several films in Spanish. One of my expectations for the coming year is to start one or more after school tutoring programs in our county. This will be geared primarily for 4th-6th grade children.

I do not have volunteer statistics on this ministry, but am aware of several of our members who participated. The shelter this winter will open on November 2nd. Volunteers are needed to help with this ministry.

XIII. **Substance Abuse Ministry:** This committee has met several times. They completed a survey of the churches and are currently working on a "fact sheet" on substance abuse in Cleveland County. This will be made available to church leadership. This committee will provide the program for the November Pastors Conference.

A brochure listing substance abuse resource people of Cleveland County has been prepared and will be made available to church leadership.

The committee has worked hard to develop a Substance Abuse Awareness

At our annual training session in November we had an attendance of twenty-seven persons.

Our church hosts for the meetings were: January — Second Baptist, Shelby; April — Pleasant Ridge; July — Pleasant Hill.

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Various committee reports were presented at each meeting, also reports of our Director of Missions and Director of Christian Social Ministries. Financial reports of the Association were presented.

Our Executive Board approved a recommendation of our Executive Committee and our Missions Committee that our moderator be directed to appoint a committee to study the feasibility of pursuing an associational church development director. This committee was appointed by our moderator at our regular meeting held January 20, 1986. Our Executive Board also approved the moderator appointing a committee to prepare plans and secure cost estimates for the completion of the interior of the lower level of our association building. This committee was also appointed by our moderator at our January 20th meeting. The Executive Committee approved the recommendation of our renovations committee that plans for the renovation of the lower level of our association building be prepared by the architectural firm of Talley and Associates at a cost not to exceed $3,500. The renovations committee was authorized to proceed with the renovations if the total cost estimates were within ten percent of a projected cost of $50,000. The approval was also subject to our Special Gifts Committee securing an amount of $20,000 prior to submitting plans for bids. Approval was also granted our trustees to secure a loan to complete the project, again within the guidelines of ten percent leeway of the $50,000 projected cost.

SUNDAY SCHOOL REPORT

Sunday School enrollment in the Kings Mountain Baptist Association has increased for the second year in a row and stood at 16,980 at the end of the 1985-86 church year. Due to the closing of the 8.5 X 85 campaign, there were two High Attendance Days observed during the '84-'85 church year and none during the '85-'86 year being report on now. As a result, average Sunday School attendance was down a bit at 9,099.

Members of your Sunday School department, or ASSISTeam as it is called, have had consultations or conferences in several of our churches. The whole ASSISTeam held a Sunday School Conference at David Baptist this past year.

The Vacation Bible School Clinic was held April 22 at Elizabeth Baptist with 157 in attendance.

The fall Sunday School Workers Training Conference at Beaver Dam Baptist on September 8-9 had 137 attending from 27 churches.

Your Sunday School Department concludes its report by recognizing one who has completed over one third century of perfect Sunday School attendance, Mr. W.H. "Coot" Lutz of Waco. Mr. Lutz has now started his 36th year of faithfulness in the study of God's word in Sunday School.

W.M.U. REPORT

Your WMU Council has taken our theme for 1985-86 — "Multiply The Vision" seriously. We have helped organize sixteen new organizations this year with four of these being in churches without any WMU work at all.

One reason we exist is to help begin new work. The other reason is to help strengthen existing work. We did this by providing Fall Leadership Training in September, Age-level "Mission Multiplication" enlistment training in January. Our age-level organizations provide activities for inspiration, information, and fellowship.

The Baptist Women hosted an "International Banquet" for Gardner-Webb students in October. Baptist Women's World Day of Prayer was observed in November. Baptist Young Women had an officers training event in October also.

A "Spiritual Development" Workshop was held in May with GA and Mission Friends having mission activities provided by their associational leadership. GA's had a December activity with a mission volunteeer, Mary Gragg as speaker ending with a visit to a local rest home and the sharing of gifts with the residents. A Day Camp was held in July with 95 present.

Mission Friends had a mission seminar and cookie exchange providing the cookies for our prison ministry in August.

We have celebrated our 100th birthday of WMU work in North Carolina this year. We had a Centennial Prayer Retreat in October. We took part in the State Centennial Celebration in March. We had the chance to look back in our own celebration at our Annual Spring Meeting in April. We have a rich heritage of commitment and dedication. A great challenge for the years ahead.

Our State WMU had an artist, Pete Turner, to depict our 100 years of work. We gave a copy to be placed in our Baptist Building in remembrance.

Our WMU was recognized as Distinguished for the year 1985-86. Thank you for your help and support.

MUSIC REPORT

Sixty-eight churches from our associational family reported an active music program for the year ending September 30, 1985. That's an outstanding percentage but not the 100 percent we have been seeking. Our State Music Department in Raleigh informs us that if a church has an elected organist/pianist or a music director, that church qualifies in being able to report a music ministry. The reports filed with your church letter serve as one of the aids helpful in providing needs and goals. We encourage every church to report this ministry on your annual church letter.

During this past year it has been my privilege to assist several churches in training sessions, handbell workshops, and retreats. The Flint Hill Church recently was involved in a Handbell Workshop. Several others are presently enrolled in a five, one night a week, handbell clinic conducted at the Boiling Springs Baptist Church. It was also my privilege as Associational Music Director to lead the music for the Associational Youth Retreat last February and then also to lead a training session in preparation for the Good News America Campaign. This was held last January in the First Baptist Church of Shelby.

Our state level festivals, music reading, and children's choir workshops plus the Volunteer Music Director's Retreat offer additional resources for growth and encouragement. We will keep you informed of these events.

For information or help with any of your church music needs, please do not hesitate to call on your Associational Music Director. Our aim and purpose is to encourage participation, to give information and service.

HISTORIANS REPORT

For the new church year we hope to bring microfilming of our associational and church records up to date.

Some of you may recall that in 1960 we microfilmed the first 110 years of history of the Kings Mountain Baptist Association and all its churches. We were fortunate to have a photographer come from the Historical Comission of the Baptist Sunday School Board in Nashville, Tennessee to do this work for us. She brought cameras and all the work was done in the Gardner-Webb College Library. Copies were sent to Nashville, to Gardner-Webb, to Wake Forest and one remained with the Historian.

We are now making preparations to microfilm all the records which have accumulated the past 25 years, 1961 to 1985, and when completed we will probably have the most history on film of any association in the state.

Recently I have had conferences with Mr. Lynn May of the History Commission in Nashville and with Mr. John Woodard, Director of the Baptist Collection at the Wake Forest University Library in Winston-Salem. They have given me counsel and advise on how the History Committee of our association can get it done.

First, let us review some of the reasons why it ought to be done:

1. Paper records in books, notebooks or files can be lost or be burned in a fire or simply deteriorate and be of no value. Microfilm is more permanent. A negative can be kept secure from which copies can be made.
2. Researchers or historians can readily use the records. They can be teaching tools in the work of the church or for ministers and students.

Now how can we microfilm 25 years of records? The association might buy the equipment and hire a photographer. Even one of the larger churches might do that, but I feel it would be too expensive to do it that way.

In outline, I recommend the following plan, with some of the details to be worked out as we go along:

1. Use the Baptist Center in Shelby as a collection point, and during the next associational year send our records to Mr. John Woodard of the Baptist Collection in Winston-Salem. This will include ALL the records of NEW churches, constituted since 1960, and records of older churches which have accumulated since then.
2. The records will be put in safe containers, and will be taken by a dependable person or insured carrier and delivered to the photographer. The records will be inventoried and

accounted for both going and coming. Receipts will be made.

3. Historians or church clerks will be the contact persons for this task. The decision to microfilm should be approved by the church or appropriate body as deacons or trustees.
4. THE COST? Nothing for microfilming, but there might be a minimal fee if records are sent by carrier.
5. How long will the records be away? John Woodard estimates two to three weeks, depending on the volume and on how many records come from other associations.
6. What records should be microfilmed?
   A. Church minutes, with dates, chronological
   B. Board records, deacons, trustees, church council, WMU, Brotherhood, etc.
   C. Other church records: the covenant, articles of faith, budgets, bulletins, committees, by-laws, correspondence, membership rolls, letters received or granted, newsletters, reports to the association, biographies, building plans, calendars, deeds, maps, clippings, memorials, special events, photographs, scrapbooks, yearbooks, financial records, vacation Bible School records.
7. All written records of any church organization or activity.
8. Movies or tape recordings of special events.

Brother Moderator, I move the adoption of this report and that the Association approve the project to microfilm a 25 year span of our records as outlined.

LIBRARIAN'S REPORT

About half of our churches report libraries. I have been talking to some of the folk at Christopher Road Mission about including a place for a library as they build, if not a room, then a cabinet.

Why have a church library? Or what is the purpose of the media-library? To elect teachers and other leaders in the church and not furnish them with adequate materials to do the job is like asking them to make brick without straw. Not many teachers or leaders can afford to buy their own commentaries or Bible dictionaries. But when the church furnishes these expensive books and places them in a central location where all teachers can have access to them, then they will sometimes use them and do a better job informing, instructing and inspiring.

You notice I'm wearing a yellow button which says "IMPACT 90". I attended Library Week at Ridgecrest August 17-23 and the theme of the conference was "IMPACT 90". They explained that the last decade of the 20th century is coming up soon and we want to get ready to make an impact for Christ during the last 10 years of this century and we have 3 years to get prepared for it.

When I got home I was telling our moderator about the fantastic sale of audio-visual equipment at Ridgecrest and that some church leaders in this association might like to take advantage of it in future years. He said just include that in your report to the association. They had projectors, screens, over-head projectors, opaque projectors, cassettes, head phones. They had each item priced and they said it was one half what they had paid for it and that they had gotten it at a discount. They use it 3 years, and sell at the end of the summer to the highest bidder using sealed bids.

I bid on a good looking cassette player, but not quite as much as someone else. So much for this year's sale.

For several years I heard much talk of Tamco. I said what is it and how does it work. I'm happy to say we now have the associational media organization operating here pretty well. We meet four times a year, usually the 2nd Thursday night in November, February, May and August. But when there is a conflict like the Baptist State Convention next month we move it a week. Our November meeting will be November 4th, the same day as the election. We will be meeting at 7 P.M. in the Gardner-Webb Library. Mrs. Marie Wellmon, who is one of the college librarians will have the program. If your church librarian can't come, then you come. We welcome any interested person.

One reason I like to attend Library Week at Ridgecrest is they always give us a list of new

books. Miss Jacqueline Anderson is a strict reviewer and anything she passes on is excellent. We had classes on **"Meeting the Needs of Senior Adults, Meeting the Needs of Young Families, Youth, and the Unreached/Unsaved."** Each teacher gave a list of 25 or 30 books. I got home with 29 pages of titles of new books. The associational office has made 40 copies. If your librarian is not here to get a copy for your church you may take one if you promise to get it to your church librarian.

I am available to come to your church and help you with your media center. I have $200 travel expense available. I want to serve you. Call on me.

Respectfully submitted,
Mrs. Bonnie R. Price

MEMORIALS REPORT

We come today in honor of our Saviour Jesus Christ and in memory of those who have departed this association in the past year. As we look at the numbers, we are aware that they represent individuals. Hopefully, all of these were active and faithful in our local churches. But most of all, it is our prayer that they were Christians. I am reminded of a story told about John Wesley, the great preacher. A speaker once related that John Wesley had dreamed he saw a great throng entering hell, and he asked whether any Methodists were among them. "Yes," he was told, "plenty of them." And Baptists? Yes. And Presbyterians, Yes. Then in his dream, he was suddenly at the gate of heaven, and earnestly asked the porter who was inside. Methodists? Not one! Presbyterians? No! Baptists? No! Catholics? No! "Then who are inside?" he asked. "Only Christians" was the reply.

We need to learn today that only those who accept and follow Christ daily will go to heaven. We need to be busy and active in our Lord's work. The list today includes a total of 245. There are three pastors, Rev. Fred Wells, Rev. Howard Cook, and Rev. Fred Knapp, ten deacons, and 229 laymen on the list. Union Baptist Church has been hit hard this year with those passing on to meet Jesus. The ages show a wide range, some in their eighties and yet one who was only 12 years old. As Carla Carpenter sat in her hospital room in Durham, she told me she had four wishes. You would expect one to be that she would not to die, but she had faith in God and in Duke Hospital. Even in the mist of death, I saw God working on this little life. Her four wishes were: 1 - to get to come home, 2 - to get to go back to school even for one day, 3 - to accept the Lord as Saviour, and 4 - to be baptized. I saw each of these wishes become a reality. I remember her calling me up and coming to the study and there prayed the sinners prayer. I saw God grant her enough time for her hair to grow back in order to be baptized even though the doctors said she wouldn't have that much time. To tell you about Carla is to reflect back this year as to others you have known in your church who have gone to be with the Lord. Even though Carla was the member with the shortest time as a member of the Kings Mountain Baptist Association, we will miss her and you miss those who have left your membership this past year.

I was asked one time after a memorial service if I really believed in the resurrection of the dead. One member of the family said if I believed in the resurrection that I was a bigger fool than he thought. My mind reflects back to a story I once heard. A young man while preaching the Gospel in an open air meeting heard this sarcastic remark: "Poor fellow, he's cracked." "Yes," he replied quickly, "thank God, that is where the Light shone in." I replied to the man that day, if I am a fool for believing the Gospel in regard to the resurrection, then count me a fool for Christ.

Let us work everyday for the Lord Jesus and may He find us working for the greatest cause on earth, the cause of Jesus Christ. Let us keep our faith and look forward to the day when we shall be again with those who have accepted the Lord as Saviour.

Respectfully submitted,
Rev. Ken Cobb

ORDINATION COMMITTEE REPORT

The Committee this past year was composed of the following members: Rev. Bob Cline, Rev. John Bridges, Ann Scism, Ronald Nanney, and Rev. Glenn Walker, Chairman.

We met twice at the request of churches this year for the purpose of examining candidates for ordination.

On November 26, 1985, the Committee met at the request of Immanuel Baptist Church for the purpose of examining Mr. Doug Huntsinger. After examining Mr. Huntsinger, the Committee expressed how excellent he responded to the questions. However, the Committee reomended that his ordination wait until he was called by a church. At that time we recommended that the ordination proceed.

On August 11, 1986, the Committee met at the request of Putnam Memorial Baptist Church for the purpose of examining Mr. Danny Bright. After questioning Mr. Bright, he was recommended for ordination. He was called to be pastor of Mill Shoals Baptist Church in Georgia.

Respectfully submitted,
Dr. Bob Cline

STRATEGY PLANNING COMMITTEE REPORT

The Strategy Planning Committee did not meet as frequently this year as it did last year. In fact, the Committee met only once. In that meeting it was decided that the focus this year should be on seeking to implement studies of the eight projects mentioned in the report last year.

These projects were as follows:

1. A seasonal ministry at the Cleveland Mall.
2. A ministry to the students at Cleveland Tech.
3. Utilization of the talents and witness of the members of the Fellowship of Christian Athletes in our churches.
4. A van to be used in the various outreach ministries of our association.
5. An additional member of the associational staff to serve as a Church Development Specialist.
6. Encourage churches to provide better retirement coverage for pastors and staff members.
7. Encourage our various organizational leaders to better utilize the time given them at the quarterly Executive Board meetings.
8. Encourage the Evangelism Committee, after the Good News America Campaign, to start planning another association-wide evangelistic effort.

These projects were all presented to the Executive Committee of the Association, which in turn assigned them to various individuals and committees for feasibility studies. Progress reports were made at the last meeting of the Executive Committee on September 29, 1986.

At this point, only project number six (6) is ready for action. The others are in various stages of study. The project ready for action is the suggestion that a Task Force be formed to educate churches and their staff members and encourage their adequate participation in the Southern Baptist Convention Annuity Program.

In compliance with the recommendation of the Executive Committee, the Strategy Planning Committee recommends that a Task Force be formed as outlined below:

The Committee recommends that a Task Force of at least three people be formed in order to encourage churches to provide adequate retirement and insurance protection for their pastors and staff.

PERSONNEL: The Task Force should be a mixed group: either a pastor and two members of the laity; or an all-laity group composed of two laymen and a woman. The latter is preferred.

FUNCTION: The Task Force will:

1. Advertise their availability and function to all the churches.
2. Meet with Finance Committees, Deacons, and/or other pertinent groups in the local churches at the group's request. Also speak to the congregation at the church's request.
3. Instruct Clerks and Treasurers in the proper manner of making applications and sending payments.
4. Be available to counsel Search Committees, new pastors, and those just entering the ministry about the importance of adequate retirement and insurance coverage.
5. Try to visit the appropriate leaders in each church each year.
6. Vigorously promote and explain the new annuity program that begins January 1, 1988.
7. Make a report each quarter to the Executive Board and annually to the Association.
8. Place articles periodically in the Associational newsletter.
9. Send special mailings when needed.
10. Be able to inform churches, pastors and staff accurately concerning the rules and laws of Social Security.
11. Present a budget request to the Finance Committee of the Association each year for expense money.

MANNER OF SELECTION: To be nominated to, and elected by, the Association as provided by the Constitution.

Respectfully submitted,
Rev. Jesse A. Bailey, Chairman

THE FEASIBILITY STUDY COMMITTEE FOR CHURCH DEVELOPER ASSOCIATIONAL REPORT

In our meeting on Thursday, October 9, 1986 the Feasibility Study Committee for Church Developer finalized and unanimously approved the following report to be presented at the One Hundred Thirty Sixth annual session of the Kings Mountain Baptist Association.

On January 20, 1986 the Executive Board appointed a Church Development Director Feasibility Committee to " ... study the feasibility of pursuing an associational Church Development Director." Later in the minutes it was stated, within parentheses, that, "This person would serve as an associational R.E. director. He would be available to assist churches in their organizational, outreach, and stewardship programs."

The committee is composed of Rev. Richard Plyler, Pastor of Patterson Grove Baptist Church, Kings Mountain, Chairman; Rev. John Bridges, Pastor of the Lawndale Baptist Church; Rev. Phil Waugh, Pastor of First Baptist Church in Grover; Dr. Joel Jenkins, Pastor of the First Baptist Church in Kings Mountain; Rev. Royce Ballew, Pastor of the Waco Baptist Church; and Dr. Bob Lamb, professor of religious education at Garner-Webb College. What follows is a progress report.

Since receiving its assignment in January, your committee has investigated this position extensively and has met seven times for discussion of all materials received. We have discovered that other associations are using such staff persons effectively as consultants to their churches and as staff assistants to the elected associational program directors who assist churches in discipleship development, outreach, stewardship, and in enhancement of existing educational programs. Church Development Directors are serving in the New River, Gaston, Buncombe, Mecklenburg, and New South River associations. The pastors in these associations which we have contacted are delighted with this approach. Pilot Mountain association is also in the process of securing a C.D.D.

Evidence is unavailable to support the idea that the association needs a person whose major tasks would be to start churches or to serve for extended periods of time as a minister of education in specific churches. As Dr. James Williams, Associate to the President of the Sunday School Board, wrote July 28, 1986, "The idea of a roving church growth specialist who would serve as an RE worker in a church for a short time has not yet caught on. There are built-in limitations to this approach."

However, in our research, we have discovered many positive things in the term Church Development Director. It is a much broader concept than we initially realized. We see a person with this particular job title as able to

(1) relate to our pastors, staff members, and our church organizational leaders,

(2) serve as a consultant and resource person to our associational committees (Sunday School, Church Training, Womans Missionary Union, Brotherhood, Evangelism, Seminary Extension, Christian Life, Recreation and Drama, Strategy Planning, Youth for Christ, and Church Survey and Extension),

(3) serve as a catalyst for the leadership in our churches as well as an encourager for our work.

(4) suggest good tools for churches and our staff, both volunteer and professional, and help us use them, and

(5) relate to denominational educational agencies.

The means by which such a person could serve would include

(1) consultation with pastors and other church leaders as requested,

(2) provision of leadership training.

(3) recommendation of resources,

(4) assistance to associational committee chairmen, and

(5) maintaining lines of communication with our churches

THIS IS A PROGRESS REPORT. While such a person would undoubtedly be useful to the churches of our association, there are still questions to be answered before our committee can complete its work. We continue to solicit your wisdom in assisting us in finishing our task.

REPORT ON CHRISTOPHER ROAD BAPTIST MISSION
(as of October 21, 1986)

Acting on faith and counting on the support pledged by the Advisory Committee of the Kings Mountain Baptist Association, the Christopher Road Baptist Mission has begun a 5,000 square foot building to be used as its base in reaching the lost and unchurched in that part of Cleveland County.

1. Volunteer contractors Colon Hamrick and J.R. Webber saw that footings, a foundation, rough plumbing, and a slab were completed by the middle of September.

2. During the week of September 29th, approximately 30 volunteers from Canton, N.C. erected the walls and put on the roof and roofing so that the building was "in the dry".

3. On October 11th, 10 volunteer electricians from Charlotte and Cleveland County put in all the rough wiring.

4. Also on October 11th, approximately 25 or 30 volunteers from Cleveland County began the brick work, and they plan to continue it each Saturday until it is complete.

5. During the week of October 13th, heating and air conditioning ducts were installed, insulation was put in the walls, and more plumbing was done.

6. During the week of October 20th, (this week) there will be anywhere from 15 to 50 volunteers from Spruce Pine putting up sheek rock and doing any other work that comes to hand.

7. When the time comes, we will have volunteers from Cleveland County doing trim work, volunteers from Eden, N.C. painting, and volunteers from Cleveland County laying carpet.

8. Volunteers from W.M.U. organizations from all over Cleveland County have arranged to feed volunteer workmen.

9. We must pay for all materials and some specialized labor even though most of our labor is provided by volunteers. It is now apparent that we will need at least $80,000 in cash money to complete this job. As of last week, the building fund has received $48,553.97 from individuals and churches all over Cleveland County.

10. The Lord is performing a miracle in our midst. He is using many churches and many, many people from all over our county and state "his wonder to perform". If you or your church have not yet had the wonderful experience of being a part of this miracle, wouldn't you like to be? Contact the Baptist Center at 1175 Wyke Road, Shelby, N.C. 28150 (telephone 482-3472) and share in the excitement.

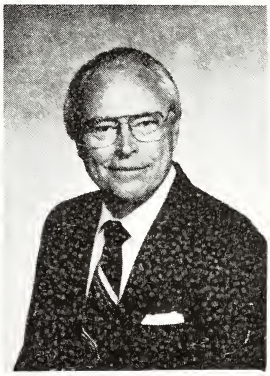
DEDICATION

Dr. Clyde Chapman was a man of great love and compassion. To all who knew him, he was a friend. Truly, he was a man of God. He loved the work to which God had called him. He loved the people he was called to under shepherd. He was ordained into the Gospel ministry by the Dover Baptist Church.



Clyde was born December 13, 1917 in Cliffside, North Carolina, but the family later moved to Cleveland County. He was educated in the Cleveland County schools, having graduated from the Lattimore High School. He went on to Wake Forest College and Southern Baptist Theological Seminary, where he received the Doctorate of Theology degree.

He was pastor of churches in Swepsonville, North Carolina; Lexington, Kentucky; Spencer, North Carolina and in 1973 was called as pastor of Poplar Springs Baptist Church in the Kings Mountain Baptist Association.

Clyde was married to the former Sue Whitesides. To this union was born two children, David and Susan.

Clyde had retired about a year and a half before the Lord called him home on July 30, 1987. Because of his illness he was never really able to enjoy his retirement time. Yet in it all his trust was in the Lord who was his ever present help.

The verse of scripture that comes to mind as I remember Dr. Clyde Chapman is found in II Timothy 4:7-8. "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge, shall give me at that day: and not to me only, but unto all them that love his appearing." To God be the glory.

C.A. Kirby, Interim Pastor
Mulls Memorial Baptist Church

IN MEMORIAM

Forrest Chalmers Feezor was born July 1, 1892 on a farm eight miles south of Lexington, N.C. One of eight children, he was named after Confederate calvary general Nathan Bedford Forrest and Scottish preacher and mathematician, Thomas Chalmers (1780-1847). Despite little family interest in religion, Forrest accepted Jesus as savior when he was eight and made a public commitment five years later at Jersey Baptist Church.

A desire for education led him to leave the farm at age eighteen and enroll in the fifth grade in a private school near Churchland, N.C. During the time at Churchland he began to feel that he should be a minister. One day while plowing he told the Lord he wasn't sure what a call to the ministry was, but would accept it as a sign from the Lord if someone asked him to preach. While still in the field he was approached by an emmisary from a church needing a supply preacher the following Sunday. He was ordained by Jersey Baptist in 1916 while still in high school.

Admitted to Wake Forest College, he excelled in studies, debating and oratory. Although he had never seen a football game, he was recruited by the football and basketball coaches because of his size and strength. He was a star in both sports and was captain of the basketball team.

He attended Southern Seminary and following his graduation, he made a study tour of Palestine, Europe, England and Scotland. Returning to America, he became professor of Bible at William-Jewell College in Liberty, Mo. Two years later he resigned to become pastor of Second Baptist Church in Liberty.

While pastor at Liberty, he married Jessie Ray Fuller, youth director of First Baptist Church in Dallas, Texas. Dr. George W. Truett performed the September 15, 1927 ceremony.

On January 1, 1932, the Feezors moved to the pastorate of the Tabernacle Baptist Church in Raleigh, N.C. During the ministry at Raleigh, the Feezors adopted two baby girls. He was a crusader against moral evils, entered the new radio ministry, was President of the North Carolina Baptist Convention.

In 1943 he was called to the pastorate of the 4,000 member Broadway Baptist Church in Fort Worth, Texas.

At age 54 in 1946, he became pastor of the First Baptist Church in Waco, Texas. While pastor at Waco, he was elected President of the Baptist General Convention of Texas and First Vice-president of the Southern Baptist Convention.

Texas Baptists called him to be the Executive Secretary of their convention in 1953. At the mandatory retirement age of 68 he ended eight and one half years of service in that position.

Having served 16 years on the Foreign Mission Board and made many overseas trips to visit with missionaries, his mission commitment was realized when he spent a year as pastor of the Calvary Baptist Church in Tapei, Taiwan. Other notable items of service included regular sermons over the short-wave "Voice of America" from 1952-55. He served as Chairman of the Board of Trustees of Southern Baptist Theological Seminary, trustee of Meredith College and Baylor University. He received The Master of Theology degree from the University of Chicago and honorary doctoral degrees from Wake Forest, Baylor, and Campbell Universities and Gardner-Webb College.

Known as a man of prayer, he led a prayer for world peace at the 1955 Baptist World Alliance by asking delegates from Russian and Iron Curtain Countries to hold hands with delegates from America and the West.

During his 20 years of "retirement", Dr. Feezor served churches in Texas, Georgia, Wisconsin, and North Carolina as interim pastor. He moved to Shelby in 1976.

On December 2, 1986, Dr. Forrest Chalmers Feezor left his body here to go into the presence of the Lord.

Rev. Royce Ballew, Pastor
Waco Baptist Church

A Brief History Of Eastside Baptist Church, Shelby

Eastside Baptist Church was organized in December, 1921, with thirty-one charter members. The first pastor, Rev. C.O. Johnson, led in building the first auditorium and was pastor for one year. Others who have served as pastors are: Rev. W.G. Camp, Rev. H.E. Waldrop, Rev. R.P. Hamby, Rev. W.P. Biggerstaff, Rev. E.B. Hicks, and Rev. W.W. Padgett who pastored the church for twenty-six years.

In 1971, under Rev. Padgett's leadership, the church moved from Buffalo Street to its present location on Wyke Road. Some years later, an activities building and ball field were constructed. The present structure, which provides 21,500 square feet of floor space, is located on nine acres of land. The total property value is in excess of $1,000,000.00.

The church expanded its program in 1983 by calling Dr. Harold E. Fite as associate pastor. In 1985, Dr. Fite was called as pastor of Eastside Baptist Church.

31. Rev. Don Reed, Associate Director with the Volunteer in Missions Department of the Foreign Mission Board, gave us some details on our Sao Paulo, Brazil partnership. Our involvement in missions as an association is one of the reasons we were given the challenge of the Brazilian partnership. "To whom much is given, much shall be required." Brazil already has an aggressive outreach program in the mission field but 1,000 new churches are needed there by 1992. Partnership evangelism is also needed. This will consist of teams to go to Brazil to lead revivals and to witness and share God's Love.

36. Rev. John Bridges, pastor of Lawndale Baptist and our Associational Program Chairman, introduced Mr. William Poe, President of the North Carolina Baptist Convention, as our guest speaker. He shared with us what he sees happening in Baptist life today. We as Baptists have always been free and independent people but have still worked together to make things happen as God wills them. Since World War II, "the Mega" churches have developed. This has changed church life and also the Southern Baptist Convention leadership. These "mega" churches are too independent, not in need of the association or even the convention. We seem to have gotten away from the warm and friendly church. Mr. Poe stated that he has noticed that the State of North Carolina seems to have none of these "mega" churches. The average church enrollment in North Carolina is about 300. He urged us as Baptists to help create a spirit of love so that we may work through our differences and get on with the Lord's work.
37. Rev. Dan Jolley pronounced our benediction and the meeting was adjourned until Wednesday morning.

He also recognized Rev. Rochelle Ingle for 20 years perfect Sunday School attendance and also Mr. "Coot" Lutz for 36 years perfect Sunday School attendance. Rev. Dave Gordon gave the Church Training Report. This report is found elsewhere in this volume.

61. Rev. Billy Cooper presented the moderator's message. He read scripture from I Thessalonians 1 which looks at a "model church." He stated that if we are to regain enthusiasm of the "model church" we need to see ourselves as others see us. Churches need to "break out" and do what God wants us to do in order to save America where we have 156,000 million unsaved. The 1990's will bring challenges to our churches and demands will be made as never before. Our association of churches need to create a vision, set goals, and move forward. 1986-87 ANNUAL REPORT
DIRECTOR OF MISSIONS

As I sat down to prepare this report it was difficult for me to comprehend the tremendous transition that the Kings Mountain Baptist Association has had and that we are passing through. If it is difficult for me, then it gives me some appreciation for your position.

You have provided a very functional facility that continues to serve our churches and staff, minister to the sick, the distressed, the disfranchised, the illiterate, as well as those seeking to further their seminary education. What a broad range of needs you have chosen to address. The people who comprise our association are able to see the needs right here under our own doorstep and reach out in a healthy and life giving ministry. You are doing these as the great Commission has indicated it should be done - beginning where you are and continuing to reach out with ever-increasing circles until we reach the furthermost shores with the Good News of God's love and His precious gift to us in Jesus Christ.

As I travel in the circle of other Directors of Missions, I hear them saying over and over again, "Our people cannot see the mission needs here. Their concern is only elsewhere and not very strong for missions there." I commend you that you have not fallen victims of that common malady. We have a high degree of involvement in a wide range of mission needs within our own borders. We have seven of our churches listed in the top 100 churches contributing to the Lottie Moon Christmas Offering. They are Shelby First, Elizabeth, Boiling Springs, Bethel, Peach Street, Bethlehem, and Double Springs. Four of these ranked in the largest amount contributed and four ranked in the per capita gifts - with Elizabeth appearing in both categories. So, we have evidence of the involvement to the furthermost shores and your associational program is evidence of your involvement here in our own Jerusalem.

We began a Retired Ministers and Spouses Fellowship this past year. Our officers are Rev. Dan Jolley, president; Rev. Ed Sessom, vice-president; and Mildred Davis, secretary. There are 99 retired ministers and spouses living in our area. Many of these spent most of their productive ministry in the Kings Mountain Baptist Association. It is a pleasure to join with our churches in providing a quarterly fellowship meeting with these servants of God.

This year you completed the first floor of your associational building. With the assistance of the churches and the Special Gifts Committee we now owe only $32,000.00. The completion cost was $63,261.18.

Christopher Road Mission is a glowing example of your commitment here in Cleveland County. One of the unexpected blessings was people and churches taking the initiative in contacting us to accomplish needed and significant phases of the work. Can you imagine what it is like trying to accomplish the many things that are required and then have people contact you and ask if they would be permitted to provide a specific service or the money to accomplish a vital part of the project? I am sure it is difficult for you to imagine how it affected the mission and those trying to coordinate the mission project. It felt like you were struggling along and all of a sudden someone picked you up and placed you way down the path of progress. We felt swept along on the strength of someone else, what a boost!

The operation of your mission projects requires a constant and growing number of volunteers. We have begun honoring those who give so unselfishly of their time and energy. Those who have been singled out for special recognition are: Mary Sue Thompson, Marie Wall, J.W. and Edna Gantt, Kathryn Martin, Bob Hoffman, Vicki Blanton, Sarah Williams, Alta Pernell, Alma Poston, Kathryn Lucas, Gladys Putnam, and Frances Hord. These are only the tip of the iceburg of the vast number of persons who contribute to our mission effort. Pastors and staff ministers join the ranks of the volunteers who give of their skills and energies to accomplish the needed ministries.

We are thrilled to anticipate being a part of the Partnership Evangelism to Brazil. Our Executive Board approved the project at the July 20th meeting at David Baptist Church. We have been asked to send two representatives to negotiate an agreement for the next five years. Billy Cooper, our moderator, and I will be going November 15 and returning November 24, 1987. This is a new chapter in missionary outreach and I am delighted we are a part of this new approach of pairing association to association.

This past year we received 88% of our projected budget of $166,716.00. Our budget is a projection of what can be accomplished as our churches continue to support the ministries of the Kings Mountain Baptist Association. Just last week a pastor and I were talking. He shared with me that their fellowship planned to increase Cooperative Program giving and associational giving. The joy was so evident in his voice as he shared the action of the church family. These added resources will help us meet real needs. This experience has created renewed enthusiasm in me and also in those who share in our joint ministries.

We are where we are today because the churches value and support missions right here in Cleveland County. That support which we receive has more to do with what we accomplish than I like to admit. As your Director of Missions I want to thank you on behalf of every mission need for the growing support that you give. We have adopted 4% as a goal and I urge churches to get on a percentage basis and plan to increase their percentage in a systematic and responsible manner.

Now, in closing, I want to turn to the matter of accountability. Accountability is not an option for a Christian servant or agency, it is a necessity. We welcome accountability. Twice there has been an association wide evaluation of me as your Director of Missions. Four times a year the first item of the agenda of the Missions Committee is an evaluation of the Director of Missions. Weekly staff meetings help us to be accountable to each other and our task. Quarterly we mail a report of receipts from the churches and expenditures of those funds. At this annual meeting you will examine and adopt our projected budget for 1987-88.

You no doubt have heard the statement, "Power corrupts and absolute power corrupts absolutely." The unveiling of gross abuse by television ministries reveals a serious lack of accountability. Accountability would have corrected some of the abuse or informed those funding these events how their money was being spent.

We welcome accountability and would have it no other way. Seeking to be accountable here will prepare us for our ultimate day of accountability with the Lord, the righteous Judge.

These fourteen years have been exciting and challenging years for me. I have felt myself being stretched over and over again to rise to the challenge to serve you as your Director of Missions. I welcome the opportunity as the future unfolds before us.

Respectfully submitted,
Cline W. Borders
Director of Missions

1986-87 ANNUAL REPORT
CHRISTIAN AND COMMUNITY MINISTRIES
KINGS MOUNTAIN BAPTIST ASSOCIATION

1. PRISON MINISTRY:
   A. Yokefellow Ministry - Volunteers met regularly every other Tuesday evening for worship services. Refreshments (baked goods) were provided for the worship/fellowship experiences.
   B. Bible Study - Volunteers continue to reach out to the inmate population by holding weekly Bible studies each Thursday afternoon. Furthermore, they took on the responsibility of conducting the Monday afternoon Bible Study, which was discontinued for a short while due to the regular leader of this service sustaining a back injury and having to be hospitalized.
   C. Field Day Activities - Provided refreshments (drinks and snacks) and cosmetic items as prizes for winners of individual and team competition during field day events at the prison.
   D. Christmas Gift Packets - Prepared and presented a very nice gift packet to each inmate at Christmas. The gift packet consisted of various cosmetic items, gum, fruit, and candy. Also, at Christmas each member of the prison staff was provided with a box of chocolate covered cherries. Twenty church groups/individuals helped to provide gift packets.
   E. Family Visitation - Provided and served refreshments for family visitation on several Sundays. Provided polaroid family picture for each family.

4. SUBSTANCE ABUSE COMMITTEE: The Substance Abuse Committee sponsored a workshop on November 24, at Elizabeth Church. The total number of people was 89. The response was very good.

   From that meeting a team of two young men have been going to various churches and county schools meeting with youth groups and discussing drugs and giving their testimonies. The response from teachers and leaders has been positive.

We plan a "Drama Contest" in the future in which we will ask students in the high schools to submit an original drama about drugs and alcohol. EXECUTIVE BOARD REPORT 1987

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday during the months of January, April, and July, 1987. Our church hosts for the meetings were: January-Ross Grove; April-Fallston; July-David.

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Various committee reports were presented at each meeting, also reports of our Directors of Missions and Directors of Christian Social Ministries. Financial reports of the Association were presented.

Our Executive Board approved plans and costs amounts of $63,029.00 for completion of the lower level of our associational office building.

Our Executive Board approved a recommendation to consider a change in the meeting times of our annual sessions due to the concern of the decrease in attendance at the annual meeting on the Wednesday morning sessions. The recommendation was to schedule sessions of our annual meeting for Monday evening, Tuesday afternoon, and Tuesday evening.

The Executive Board approved a recommendation from our Executive Committee that our association participate in a partnership mission program with Sao Paulo, Brazil. This mission program would be for a period of three years. Also, that we send two representatives to Brazil during the month of November 1987 at a cost to the association of $2,400. These two people would establish the contract for the mission project. The recommendation also included that our association parallel a project with a Baptist association each year within the United States.

The Executive Board also approved a recommendation of the Executive Committee that the Kings Mountain Baptist Association establish a scholarship fund for a student interested in foreign missions. The scholarship fund would be in memory of Libby and Rachel Senter. The recommendation asks our churches to contribute to the fund. The recommendation also suggests a scholarship committee to be formed to establish the logistics of the scholarship and present full recommendations for its administration to our annual meeting.

The Executive Board approved a further recommendation that a central prospect file be established. This file would be made available to all our member churches. The Committee on Committees was asked to appoint a committee of persons interested in the project to administer its development.

Respectfully submitted,
Mr. Joseph E. Cabaniss
Clerk-Treasurer

SUNDAY SCHOOL REPORT

Your Sunday School Department began its work for the 1986-87 church year with Outreach Director Ken Cobb presenting the Outreach Bible Study plan to the Pastor's Conference on October 6, 1987.

The next event was the Outreach Clinic organized by Rev. Cobb March 16-17, 1987 at First Baptist in Kings Mountain. Sixteen (16) churches were represented as 102 people studied the "Challenge" series of age-group books concerning reaching people for our Lord.

Mrs. Denise Smith organized the Vacation Bible School Clinic at Elizabeth Baptist May 5. One hundred fifty-eight (158) people representing 26 churches participated in this excellent event.

Our associational Teaching Improvement Director, Rev. John Hunter organized our fall Teacher Training Clinic. The "Bible Teaching" age group series was taught along with "Introduction to the Bible." There were 91 people in attendance.

Enrollment is up from last year at 17,119. However, average attendance has declined slightly to 9,154.

BROTHERHOOD REPORT

The main purpose of any Brotherhood chapter in a Baptist church is to serve and witness to the local people of the community outside of the local church congregation. This is what we encourage the local chapters to strive for in our Association. One of our projects that was in line with this thinking this past year was the organization of several "fix it" squads that worked in conjunction with the Senior Centers of Cleveland County. We had five churches in our Association that formed a squad and aided many senior citizens in home repairs such as painting, yard work, adding wheel chair ramps, and the insulating of windows and doors.

As our main mission thrust we sponsored our annual Cleveland County Fair Prayer Breakfast. This year the breakfast was held on Wednesday morning, October 7 with a record number fed, which was 102 fair workers. The fair workers also received New Testaments, enjoyed singing, and a meditation by Keith Dixon of Flint Hill.

Being the Associational Brotherhood Director this past year has helped me grow more in Christ and has made me appreciate the fine and helpful staff we have at our Associational office. I look forward to working with the Brotherhood in our Association next year.

Respectfully submitted,
Rod Mauney
Associational Brotherhood Director

WMU REPORT

Our women have accepted the challenge of our theme, "Gifted to Serve, Called to Act" for 1986-87, making this year's W.M.U. watchword, "Each one should use whatever gift he received to serve others faithfully, administering God's grace in its various forms." (I Peter 4:10 NIV), a means of discovering our gifts and committing them to Him.

Last year was a growth year. New organizations were begun and 340 new members were added. We received special recognition at our state meeting at Ridgecrest in March. Several new G.A. groups and at least one BYW began this year. However, this year has been one of strengthening existing work. The council has spent many hours visiting, phoning, planning, teaching and mailings to help our churches.

Various age level activities held during the year were: (1) September Fall Leadership training at Eastside, Shelby. (2) Banquet for Internations and M.K.'s at Gardner-Webb on September 28. (3) Recognition service for graduating internationals in April which also included a birthday party for our own Cline Borders. (4) The BYW held a Mission Action Training Lab in November and a Witness Training Lab in January. (5) The G.A.'s held an associational meeting in March at Double Springs Baptist Church with M.K. Paul Phillips from Africa as the speaker. Ninety persons attended. (6) The Mission Friends leaders went on a shopping trip in May to the Christian Supply and the Baptist Book Stores in Spartanburg, South Carolina for special supplies.

Our annual meeting in April at Double Springs Baptist Church was very special. Six of our own volunteers shared with us their experiences from places like Togo, South America, Indonesia and Zambia. We had approximately 200 present.

Our WMU was recognized as "Distinguished" for 1986-87.

It has been my joy to work with such a fine associational staff and with our great churches these five years. Being able to visit 60 different churches, some many times, to teach, speak, train, plan and encourage has brought much happiness. I am grateful for all your help and support. Thank you for letting me serve as your WMU director.

Respectfully submitted,
Lela Bell Washburn
WMU Director

ASSOCIATIONAL MUSIC REPORT

"Unity" is the key word that describes the music ministry of the Kings Mountain Baptist Association. It has often been said that Music is a universal language. Certainly this is the case within our Kings Mountain Baptist Association. Over this last year I have observed churches uniting together to present worshipful music programs not only for the Adult age, but for Youth and Children as well.

On June 11th of this year we experienced a wonderful Associational Drama and Music workshop that helped the smaller church to become more effective in it's music/drama programs. The clinician was Dr. Terry Fern and each participant learned how to better express themselves through music as well as teach that creativity and expression to the different congregations. A video tape is on file at the Association Office of this workshop.

I think it is important to remember that God desires for us to praise him with singing and instruments. We should never lose sight of a music ministry in our local church no matter how small or large it's participants. We are called of God as Musicians to do our best to bring Glory and Honor to His name. The Associational Music Director will be more than willing to be of assistance to any church at any time.

Respectfully submitted,
Dana Bucher Jenkins
Associational Music Director

PROPOSED CONSTITUTIONAL CHANGES TO BE VOTED ON AT 1987 ANNUAL MEETING

Due to a change in terminology by the Southern Baptist Convention it is recommended that we change our constitution and by-laws accordingly. Wherever the title "Christian Social Ministry Director" is used change to read: "Church and Community Development Director." Wherever the name "Christian Ministry Development Committee" is used change to read: "Church and Community Development Committee." Changes should be made in Article VIII and Article IX, Section 1, Subsection A-14 of the constitution and in Article IV, Section 2, 17, and 19 and Article VII, Sections 1, 2, 3, and 4 of the by-laws.

CONSTITUTION

It is recommended that Article IV, Section 1 which presently reads: "The association shall meet annually on Tuesday and Wednesday after the third Sunday in October and continue until the business of the association is disposed of" be changed to read as follows: "The association shall meet annually on Monday and Tuesday after the third Sunday in October and continue until the business of the association is disposed of."

Article VI Officers and their Election, Section 2, sentence 1 reads: "The moderator, vice-moderator and clerk-treasurer shall be elected on the morning of the last day of the annual meeting."

Recommend that sentence 1 of Article VI, Section 2 be changed to read: The moderator, vice-moderator and clerk-treasurer shall be elected on the last day of the annual meeting."

(This vote concerning the Annual Meeting will effect the 1988 meeting.)

Respectfully submitted,
Rev. Jerry Rumfelt, chairman
Mr. Jim Horn
Mr. Fred Flowers

HISTORIAN'S REPORT

To the casual observer most Baptist Churches are similar - the people, the buildings, the worship services. But certain factors help make each church unique - the story of its beginning, its struggles and triumphs through the years, and its mission in its unique setting. These stories make up a church's history.

A church like a person, tends to be shaped by its past. When made known, past events can continue to affect a church's future.

The report I bring to you today is simply a challenge to the 73 churches in the Kings Mountain Baptist Association.

A church needs a History Committee that is made up of persons who are dedicated to locating and organizing materials that will be preserved and made available to educate present and future generations.

If you do not have a Church Historian, to keep important Historical data, and you depend on your Church Clerk to do this, let your Clerk know these are the only records being kept and you want them to include a Historical Digest.

Churches who wish to celebrate significant Anniversaries are not able to do so because of a lack of Historical Records.

Cicero, the Statesman wrote, "For what is the worth of a human life unless it is woven into the lives of our ancestors by the records of history?" The influence of a local church on its community, its Association, its State, and its denomination is reflected in its historical records.

History related events are usually enthusiastically received by Church members. Children enjoy reading information on the cornerstone and hearing stories about the Church's History. Members of all ages crowd around a church history bulletin board to look at pictures and talk about change. But without a systematic plan for locating and preserving records, parts of many church histories will be lost.

Throughout History, God has continued to reveal himself to His people. The past interaction between God and Your Church deserves to be interpreted for the benefit of present and future members.

These are the churches in our Association who had significant Anniversaries this year:

Bethany 40th
Bethlehem 145th
Boiling Springs 140th
Carpenter's Grove 100th
Christian Freedom 10th
Fallston 85th
New Buffalo 45th
Oak Grove 90th
Plains View 40th
Shelby First 140th
Waco 145th
Zoar 150th

Churches who will have significant Anniversaries in 1988 are:

David 50th
Elizabeth 105th
Faith 35th
Highland 40th
Kings Mountain 30th
Mount Sinai 140th
New Bethel 140th
New Camp Creek 45th
Oak View 50th
Poplar Springs 90th
Pleasant Grove 110th

If you choose to observe an Anniversary in your church, invite your Associational Historical Committee. If we can be of help, just feel free to call on us.

Respectfully submitted,
Dr. Wyan Washburn
Associational Historian

MODERATORS OF KINGS MOUNTAIN ASSOCIATION 1951-1987

As most of you know Dr. Wyan Washburn, our Historian, was in an accident. He was to give a report on John W. Suttle. I was privileged to hear this report given by Dr. Washburn at the summer meeting of The North Carolina Baptist Historical Society at Wake Forest University. It was an excellent report and Dr. Wyan did a tremendous job in delivering it. I hope he will be able to give this report in the near future. Those of you who knew Rev. Suttle will really appreciate hearing the stories about Rev. Suttle.

As a substitute report I want to give you some information about the Moderators of this Association.

This is the 137th session of the Kings Mountain Baptist Association. The Association has had 31 moderators since its birth at Double Springs in 1851. The Reverend Thomas Dixon, Sr. was the First Moderator. He also served 6 other tenures: 1856, 1875, 1876, 1878, 1880, and 1881. Thomas Dixon, Sr. held one pastorate, at New Prospect for 54 years, the longest on record in the Association. It is said he organized twenty Baptist Churches, baptized over 6,000 persons, and married more than 5,000 couples. He was never late for any of his services. He was the fifth pastor of First Baptist Church of Shelby. He was married to a McAfee from York, S.C. and they were the parents of a Governor of Alabama, a minister of international fame, a notable woman physician, a woman novelist and his namesake, Thomas Dixon, Jr. became a world famous author, playwright, dramatist, and public speaker.

All the Moderators, with the exception of only 6 have been Ministers of the Gospel. The 6 laymen were: J.Y. Hamrick 1882-1883, being just back from Raleigh, where he served a term as State Auditor.

Major H.F. Schenck, who was the founder of the Cleveland Mill and power Company of Lawndale served the Association for two tenures; 1884 through 1896 and again in 1902. His wide, expansive and beautiful lawn gave the Town of Lawndale its name.

Judge E.Y. Webb was Moderator from 1897 through 1901. He was the Presiding Judge of the Western District Federal Court and at one time Chairman of the Board of Trustees of Gardner-Webb College. Part of the College name honors his family.

Horace Easom, who was Music Director for the First Baptist Church in Shelby, for the Association, and the Baptist State Convention, was Moderator in 1961.

Carlos Young served as Moderator for the years 1975 and 1976. Mr. Young lives in Shelby and has done outstanding work with the State Convention, this Association, and his own Shelby First Church.

William McDaniel of Kings Mountain served as Moderator in 1977 and 1978. Prior to becoming Moderator he served as Vice Moderator for two years. Mr. McDaniel is an active deacon of Bethlehem Church. He has served on various committees of the Association. He has worked as a rural mail carrier for thirty years in the Kings Mountain area.

Other moderators of this Association have been Dove Pannell, G.W. Rollins (he served 5 terms), L.M. Berry, R.P. Logan, Robert Poston, J.H. Yarboro, A.L. Stough, A.C. Irvin, John W. Suttle, C.C. Crow, C.O. Greene, E.B. Hicks, Oscar Funderburke, E.M. Smith, James Holder, C.A. Kirby, Jr., James Stamey, Russell Fitts, Roland Leath, Daniel Jolly, Marion Adams, Alton Martin, Broadus Heatherly, Dr. Wade Dellinger, and our present Moderator, Rev. Billy Cooper.

All the moderators, both Ministers and Laymen, have been men of outstanding ability, leaders in their churches and communities.

LIBRARIAN'S REPORT

'Tis the old time religion, 'Tis the old time religion,
'Tis the old time religion, It's good enough for me.
Makes the Baptist love the Methodist,
Makes the Baptist love the Methodist,
Makes the Baptist love the Methodist,
It's good enough for me.

One morning last November my phone rang. When I answered, the caller said, "I'm Ruth Swafford, librarian at the Boiling Springs Methodist Church. I called the college library and asked for some help and they told me to contact you." I thought: I'm only elected to help the Baptists. But being a Subject of the King I said, I'll be glad to do what I can. When can we get together?" She said, "I'll pick you up right after lunch."

As I looked over the 500 volume library, she related to me her problems. I told her what I know, loaned her some of our "how to" books, and suggested she order certain materials from our Baptist Book Store.

At Key Leadership we were told that several denominations order our Baptist library materials regularly, because we have the best! And suddenly a thought came to me. It must have been from on high. I said to her, "Why don't you come to our next quarterly library meeting. It's to be a working session at New Bethel. You'll get to hear professional librarians Marie Wellman and Joy Sandifer explain what we do as we go along." She said, "I'll be glad to."

When the time came she brought along her assistant. New Bethel's librarian, Wanda Kirby, seemed pleased as we worked for two hours. I was pleased that the Methodists were working for the Baptists.

You might like to get out your pencils to jot down a couple of dates in a minute. 48 of our churches report libraries on the Association letter September 30.

Our next quarterly meeting will also be a working session to be held 7 p.m. Thursday, November 19 at Flint Hill Church. I'm told the next Beacom might not get out by then, so you might like to inform your librarian. I've decided the working sessions do more good than lectures, because you can explain as you do and it helps the host church get things done. But don't wait for the quarterly meeting for help, call me anytime. I had a call from Beaver Dam 3 weeks ago. I went over and looked at the approximately one thousand volumes and am now hunting time to get with the workers.

I'd like to recommend the library conference held each Spring at Caraway the last Friday and Saturday in April. Bob Goode, our State Convention Library Director arranges a most helpful conference with eight or more classes. Most of the faculty he gets from the state of Virginia. About 200 people attended the one last spring. It costs $29.00 for the 3 meals, one night's lodging and registration.

Library week at Ridgecrest this year is June 27-July 2, 1988. I'm aware of one BIG problem: the working folk don't have time to read, and the retired don't have the eyesight for lengthy reading. I suggest we get books on tapes to be played in car while driving. I phoned the Shelby Public Library and asked how many books they had on tape. They said 50 best sellers but no religious. I think we need to look into that further.

As I've said before: if you need help with your church library, call me and if I don't know the answer, I'll get you a person who does.

Bonnie Roberts Price

MEMORIALS REPORTS

As we are in the days of the World Series, I am reminded of the words that the columnist, William F. Kirk wrote just before his death and couched in the terms of the baseball diamond:

"The Last of the Ninth for Me!"
"The doctor knows what his trained eyes see,
And he says it is the last of the ninth for me;
One more swing while the clouds loom dark,
And then I must leave this noisy park.

'Twas a glorious game from the opening bell,
Good plays, bad plays and thrilling pell-mell;
The speed of it burned my years away,
But I thank my God that He let me play!"

As we pass through this life we are reminded that time is not to be wasted. What we intend to do for Jesus should be done now. Time has a way of getting gone fast and we need to be good stewards of that time. As God calls each year for our love ones to come home, our hearts are filled with tears of sadness yet joy. Tears of sadness is freely expressed because we will miss their friendship, their love, and their companionship. Tears of joy run down our faces as we are reminded that God has them in the hollow of his hands.

We pause today to praise God for the opportunity to have known these who have departed to their heavenly home. Our churches have seen 236 laymen, 11 deacons and 6 pastors (Rev. Bill McKee, Rev. Earl Redding, Rev. N.S. Hardin, Dr. Clyde Chapman, Dr. Forrest Feezor, and Rev. Clarence Hoyle) reach the end of their work here on earth and are now receiving their rewards from the heavenly Father. When we read 236 laymen and 11 deacons, we recognize that these represent individuals. Individuals who used the abilities and resources that God granted them to work in their church, their association and their community in Christ's work. Individuals who may have worked silently in the unseen places or out front for examples to follow but in whatever way God will reward openly in Heaven.

We pause today as an association to recognize them and to pledge that the work of the Lord will go on till we see them coming back with the Lord or pass from this life unto death

as they have. We thank God for the memories of these that we have known as individuals and will cherish good times with them. We draw comfort from our Lord's words, "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also." John 14:1-3.

It is our prayer that God will bless all the families that have been touched this past year by the death of a love one. We pray that God will bless our associational family as we miss the work of these fine brothers and sisters in Christ. Let us stand in a moment of silence for our departed members.

Ken Cobb

ORDINATION COMMITTEE REPORT

This has been an exciting year for the Kings Mountain Baptist Association Ordination Committee. Committee members were Dr. Robert Cline (chairman), Mrs. Ann Scism, Rev. Royce Ballew, Mr. Ron Nanney, and Rev. Eddie Grigg. Rev. Cline Borders also met with us when possible.

The committee met three times this year for the purpose of examining candidates for ordination.

Lily Memorial Baptist Church requested an examination of Mr. John Adams. Mr. Adams had been called as Associate Pastor of Colonial Avenue Baptist Church in Roanoke, Virginia. The examination took place on October 18, 1986 at the Baptist Center. The meeting resulted in a unanimous recommendation for the ordination of Mr. Adams.

Zoar Baptist Church requested an examination of Mr. Don Clark, who was serving as a missionary equipper with Campus Crusade for Christ in Nairobi, Kenya. The examination took place on February 19, 1987 at Zoar Baptist Church. The committee recommended Mr. Clark for ordination with the following considerations: (1) Ordination is generally recommended for local church pastors and staff people. (2) Ordination is usually the responsibility of one's home church. Mr. Clark had close ties with Zoar Baptist Church, but it was not considered his home church. (3) Mr. Clark was encouraged to maintain a close relationship with Southern Baptists.

Elizabeth Baptist Church requested an examination of Mr. Darryl Revels. Mr. Revels was a student at Southern Baptist Theological Seminary in Louisville, Kentucky and was being called as pastor of an American Baptist Church in Madison, Indiana. The committee recommended that Elizabeth Baptist Church proceed with plans for the ordination of Mr. Revels.

On behalf of the Ordination Committee, I thank you for the privilege of serving the Kings Mountain Baptist Association in this important responsibility.

Respectfully submitted,
J. Robert Cline, Jr.

PASTORAL MINISTRIES COMMITTEE REPORT

The Pastoral Ministries Committee has had the privilege of conducting and scheduling the following training opportunities for ministers and/or staff:

October 16-17, 1987: Dr. Bob Dale, professor of Pastoral Ministries at Southeastern Baptist Theological Seminary led a Church Growth Seminar in our association. It was a special blessing for us to have Dr. Dale come to our association since he usually leads regional seminars at Ridgecrest, etc.

January 25-26, 1987: Dr. Fred McGehee, Career Guidance Department, Sunday School Board, Nashville, Tennessee, will lead a T.D.F. (Think-Decide-Feel) Seminar. This is an outstanding seminar for couples.

March 21-22, 1988: Dr. Brooks Faulkner will lead a "Healthiness in Ministry" Seminar. Topics for discussion include: What are the signs of a healthy ministry? How can we stay healthy spiritually? How can we stay healthy physically?

October 31-November 1, 1988: "Crisis in the Family" Seminar. There seems to be more and more families in crisis. This will be an excellent opportunity for us to increase our ministry skills in this area.

These seminars will be available for you. An excellent year is planned. I strongly encourage your participation. I know how easy it is to miss these opportunities. I also know how thankful I have been for the times I have taken advantage of the training opportunities presented me.

I would like to thank other committee members, Harold Fite, Richard Plyler, Bonnie Doughtie, and Ed Sessom and also would like to welcome new members, Ken Cobb, and Broadus Heatherly.

Respectfully submitted,
Rev. Terry Bird, chairman

ANNUITY TASK FORCE REPORT

It is not too late. You can still enter the Expanded Annuity Program until January 1, 1988.

The Expanded Annuity Program can make your church feel good if there is a time when it is needed. You, by being a part of the program, will have already made the provisions for such crisis.

Many of our 73 churches have already entered the program and we are grateful. Every one of our 73 churches have had the opportunity to have the program explained to them and many have taken advantage of the opportunity. Each church should give serious consideration to making this a part of each of the staff's package. The secular world does this and we should do no less.

Members of the Task Force are still available and will be happy to assist in anyway possible, so feel free to call us.

Respectfully submitted,
Rev. E.H. Sessom, Chairman
Annuity Task Force

REPORT OF CHRISTOPHER ROAD BAPTIST MISSION

Praise the Lord for His Goodness!

Psalm 31:19 "How Great is Thy Goodness."

I am proud to report that this has been a very exciting year for your mission at Christopher Road. The Lord is performing miracle after miracle andd you are part of that miracle.

In the past year, you have helped in building a beautiful educational and multi-purpose building. The contributions to the building fund were $72,200.51 by the end of July. We are proud to report that we are only approximately $8,000 in debt.

We are praying our debt will soon be resolved. The good news is we have a building that would cost nearly $180,000. Praise God!

We wish to say thank you to Mr. Colon Hamrick and Mr. J.R. Webber for their advice and labor of love.

A special thanks goes to all who gave of their Saturdays, "their time" and talents for the building. To the volunteers who did the actual construction, "our hats off to you." Yet we could not continue to build without those who gave money, "their offering to the Lord." We love you!

A church cannot be built without good leaders. God raised up many outstanding leaders from among you, the Kings Mountain Baptist Association. Dr. Paul Sorrells, chairman of the Associational Mission Council, helped us in times of decision by giving us support and letting us make those decisions. The spirit of those who served on the Associational Council was one of help and cooperation. The mission would like to say, "We love you!" Those who have served are: Paul Sorrells, chairman, Harold Causby, Rick Crotts, Glenn Walker, Paul Wall, Scott Carpenter, Gerald Marchese, Tim Lankford, Louie Allen, Cline Borders, Marshall Bradley, Flay Brooks, Fred Swift, Charlotte Swift, Don Harris, Palmer Cannon, Tommy Earls, Rebekah Ellis, Randy Godwin, David Gordon, Myrtle Greene, Evelyn Jackson, Marjorie Lancaster, Vernon Martin, Joe McCurry, Bobby Raines, Warren Starnes, Peggy Strickland, Duane Smith, Doug Carlisle, and J.A. West.

To these who served and gave, God has used you, and I am very thankful for you. We have volunteers who came from the Canton area. We had volunteers from the Kings Mountain Association. And the important thing is "they came." Thanks. We love each of you!

Let me share some of the exciting events that have taken place, as a result of these labors of love.

We have grown from 26 in membership to 39. Our Sunday School went from 26 to 57 in enrollment. In the month of September we averaged over 70 each Sunday in worship service. The programs of the mission have been extended to include a Wednesday night prayer supper and visitation. We have had two youth choirs started in the past month as well as a Continuing Witness team and two new Sunday School classes.

Praise God from whom all blessings flow! The membership and fellowship is growing with each week!

July 25 and 26 of 1987 was an historical event for the Kings Mountain Baptist Association and Christopher Road Mission. This date marked the completion of phase one of your mission. A dedication service was held on Sunday, July 26, and a plaque was given by the mission to Cline Borders for his love and help to the mission.

To each of you, in the churches of the Kings Mountain Baptist Association, we are praising God for the miracles of love. Please continue to remember us in your prayers and support us as we grow a church at Christopher Road.

To God be the Glory,
Rev. Mickey Heyward, pastor
Christopher Road Baptist Mission

DEDICATION

By recommendation of the Resolutions Committee at the Tuesday afternoon session of the annual meeting, the 1988 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Rev. J. Edgar Bishop.

IN MEMORIAM

J. Edgar Bishop was born in Cullowhee, North Carolina on August 10, 1910, to Mattie Morgan Bishop and Grover Self Bishop.

He attended public school at Cullowhee; and due to the Christian influence of his Mother and Grandfather, Phillip Morgan, he was saved and baptized in the fellowship of Love Dale Baptist Church at Webster, North Carolina

On September 20, 1930, Edgar married Gracie B. Dills, who was very supportive and helpful in his chosen work. To this union was born two sons, Harold of Mooresboro; and Hayes of Charlotte. They also have two great-grandchildren.

Edgar was ordained to the gospel ministry in 1939 by the Speedwell Baptist Church in Jackson County and pastored Trout Creek, East-La-Port, Okra Hill, and East Sylva Baptist Churches in a bi-vocational capacity while working in the maintenance department at Mead Paper Corporation in Sylva, N.C.

In 1946, he moved to Cleveland County to further his education at Gardner-Webb College. While a student at Gardner-Webb, Trinity and Mt. Pleasant Baptist Churches in the Sandy Run Association called him as pastor in 1947. He served these churches until 1956 when New Prospect in the Kings Mountain Association called him as pastor, where he served until 1962. Poplar Springs, also in the Kings Mountain Association, called him as pastor in 1962. He served there until 1973 and was pleased to be a member of that great fellowship until his death on June 9, 1988.

After his retirement from Mt. Pleasant (second time as their pastor) in 1976, he served several churches in this area as supply and interim making a total of about forty-nine (49) years in the ministry.

It has been my privilege to be associated with Brother Bishop as a fellow pastor and more recently as a fellow church member. I can truthfully say that I have never known a person who manifested a more Christlike attitude and spirit than Edgar Bishop. He was greatly loved by the people wherever he served. I know from experience that he did a monumental work as pastor of the Poplar Springs Baptist Church. And the beautiful building there is a monument to his leadership. Truly it can be said of Edgar, "Well done, thou good and faithful servant".

Respectfully submitted,
Rev. Ernest M. Smith

A Brief History Of
Patterson Springs Baptist Church

The Patterson Station Baptist Church, which is now the Patterson Springs Baptist Church, was organized on October 18, 1895 at the old Ellis School House in what is now the Eastern section of the Patterson Springs Community. The infant organization was begun as a mission under the direction of the Elizabeth Baptist Church and met, when the season permitted, in a brush arbor not far from the school house. The thirty-five charter members which constituted the church brought their membership from the neighboring churches: New Hope, Pleasant Hill, and Elizabeth. Services were held once a month, led by the first pastor, P.R. Elam.

The first church building was constructed about 1897 and dedicated in 1904. The second sanctuary was erected in 1923 and dedicated in 1926.

The church went from quarter-time to half-time preaching in 1930. In May, 1951, the church voted to begin a full-time program and called W.T. Roberson as its first full-time pastor. A parsonage was built that same year.

An educational building was constructed in 1956-57. In March 1962, the church voted to construct the present sanctuary. However, construction began March 1967 due to revising plans to cope with the rapidly rising cost of construction and the need to provide for the increasing population of the community. The first service, a Service of Dedication, was held March 1968.

The Christian Fellowship Growth Center was completed in 1986. This multi-purpose building includes a kitchen, Sunday School space, a parlor, a basketball court, and a full basement to be developed into ministry space at a later time.

In January, 1988, the church began to implement the Deacon Family Ministry Plan. Through this ministry the church is seeking to demonstrate its care and concern for its members.

Dr. Hugh Richardson serves as pastor and Mrs. Dana Bucher Jenkins as Music Director and Youth/Children Director. The current church membership is 500.

A Brief History Of
Pleasant Hill Baptist Church

In 1850 the Zoar Baptist Church of Shelby, North Carolina, extended an arm to the Pleasant Hill Community, and on February 7, 1851, Pleasant Hill Baptist Church was constituted with twenty-nine charter members. Elder George W. Rollins was the first pastor of the church serving from 1851-1855. Pleasant Hill was one of the fourteen original churches to request dismissal from the Broad River Baptist Association to form the Kings Mountain Baptist Association.

The present facilities consist of a 9,720 sq. ft. Educational Building built in 1956; the Sanctuary and adjoining areas consist of another 6,556 sq. ft. and was built during 1974 and 1975. The building, cemetery, and parking lots are located on a 9.25 acre tract on the Pleasant Hill Church Road, Route 1, Grover, North Carolina.

In the 138 year history of Pleasant Hill, the church has experienced thirty-eight pastorates, baptized 1,250 people, ordained Wray Barrett into the Gospel Ministry on April 24, 1955, and licensed Frank "Butch" Morehead into the Gospel Ministry on November 1, 1987. The current membership of the church is 355.

Reverend Eddie G. Grigg is currently serving as pastor. He is a graduate of Gardner-Webb College and Southeastern Baptist Theological Seminary, and in 1986 was given the distinguished honor of having his biography appear in The Official Register of Outstanding Americans, Special Edition of Southern Baptist Leaders.

He announced a community food collection project sponsored by the Boy Scouts scheduled for November 12 and 19, and also that our association will be the agency again this year to receive Duke Match Funds. He addressed the problem of homelessness in our county and introduced Ms. Ann Short from the United Way. Ms. Short shared what United Way is attempting to do for the homeless, single parents, etc. She expressed appreciation to those who had volunteered in any way for the Winter Night Shelter. She asked for support to match the state funds she has received, for volunteers to stay in the shelter, and for persons to provide meals. Currently, they have hopes for building a permanent shelter. She also asked for volunteers who own 4-wheel vehicles or who would be willing to drive in snow to transport persons with medical emergencies during bad weather. Mr. Davis also introduced Ms. Marjorie Christopher, director of James Home for Children, a new project to take place here in our county. She shared how lives of abused children could be helped through our support of this project. Hopes are to build a house which would be a long-term facility for nine children. She stated this is a community problem which has to be addressed by the community. Mr. Davis asked for prayer for the associational staff and all the volunteers who serve with us.

1987-88 ANNUAL REPORT
DIRECTOR OF MISSIONS

Turning back through the calendar of this past year is a quick review of the good year we have had.

Our association voted to explore partnership evangelism with an association in Brazil. In response, you asked Moderator Billy Cooper and me to "spy out the land". We left Charlotte for Sao Paulo, Brazil on November 15 and returned November 24, 1987.

The fruitfulness of our trip resulted in the approval of a Brazilian Task Force chaired by Rev. Kevin Rutledge. The following serve with him: Mrs. Frances Cline, Mr. Fred Mauney, Mrs. Jean Teague, Mrs. Mary Lou Causby, Rev. Royce Ballew, Rev. Phil Waugh, Dr. Gene Watterson, Mrs. June Lee, Mr. Bob Chadwick, and Dr. P.A. Cline. The committee developed into three sub-committees: enlistment, orientation, and fund raising. All three have been active during this past year.

Their work resulted in enlisting and training our first team. A commissioning service was held on Sunday afternoon, August 21, at Elizabeth Baptist at which time eight persons were appointed for the mission task. These persons were: Rick Hamrick and Tom Davis from Polkville Church; Vickie Spangler, Phil Reid, and David Swann from Elizabeth Church; Joey and Teresa Tomlin from Pleasant Grove Church; and Wanza Davis from First Baptist, Kings Mountain. Seven of these started their journey to work in the Sul de Capital Association on August 31. They came back on September 13 with glowing reports of the Lord working through them.

Our Task Force is now preparing for next year. They invite you to consider this mission opportunity.

During the fall we held our most successful bi-vocational workshop. Rev. Tom Lolley spoke to a group of pastors, wives, and church leaders.

All of us were saddened by the sudden and brutal deaths of Libby and Rachel Senter, missionaries in residence in Zolowce, Liberia, West Africa. Many of us felt that this supreme sacrifice must be remembered. A Senter Scholarship Fund was established and a committee composed of Judge George Hamrick, Gladys Ledbetter, and Mary Lou Causby were asked to help us raise $10,000 to launch this memorial. A date was set for an association-wide offering. To date the fund totals $12,430.82! We hope to continue to receive contributions to this fund in memory of loved ones. Acknowledgments will be sent by the association to contributors. Libby's church, Zion Baptist, created a lovely memorial garden and held a special dedication service. We thank God for the privilege of preserving the testimonies of Libby and Rachel Senter.

Classes at Shelby from Southeastern Seminary have reached a new high with a current enrollment of 37. For eight years now our association has provided a place for Southeastern Baptist Theological Seminary to hold classes in our area. Students come from a radius of about 100 miles to take these classes. During these years, we have had students traveling from as far away as Charleston, South Carolina and Savannah, Georgia. These classes are credit courses applicable to Master of Divinity and Doctor of Ministries degrees. As an association, we are so pleased to have a part in such a magnificent ministry.

Children's Bible Drill continues to grow under the leadership of Rev. Dave Gordon. We are pleased to see this renewed interest in such an important activity. Children who participate in this activity will carry their skills with them for a life time.

Former Moderator Billy Cooper left our area at mid-year to become Minister of Education at Woodmont Baptist Church, Nashville, Tennessee. This automatically moved Vice-Moderator Jeff Brendle to the moderator position. At the Executive Board meeting in July, Joe Cabaniss, clerk-treasurer for twenty years, was elected as vice-moderator.

One of the crowning activities of the year was the constituting of Christopher Road Baptist Church. In November 1984, in the home of Mr. and Mrs. Rick Crotts, a small but determined nucleus gathered every Sunday afternoon. They began reaching the people in the community which had had a 73.2% population growth in the past 10 years.

There were some setbacks with the change of leadership, some unexpected blessings in being able to use the property which later was purchased, some blessings in terms of sizable gifts, and dedicated persons who joined the growing ranks of Christopher Road Baptist Mission.

On Sunday afternoon, September 25, 1988, a constituting service was held and the mission became a church with 82 charter members, weekly receipts of approximately $800, an adequate building (that is a story in itself), and a gift of $306.25 to begin another new mission! Christopher Road has ceased to be a mission but has caught the mission spirit. We thank God for Christopher Road's good pastor, Rev. Mickey Heyward, and every member in this ministering fellowship. Christopher Road will be presented for membership to the Kings Mountain Baptist Association at our annual meeting.

This report touches the high places of the past year. Our staff, Bob Davis, Margaret Lipscomb, Judy Franks, and Jane Brendle, are such a vital part of the ministry of the Kings Mountain Baptist Association.

Sandwiched in between all of the above accomplishments are ministries and touched lives that will only be revealed in the fullness of eternity.

This year I will be completing three year terms as a Director of the Biblical Recorder and member of the Ministers Support Advisory Committee of the Baptist State Convention of North Carolina. Thank you for allowing me to serve in these positions.

It has been a privilege to serve as your director of missions.

Respectfully submitted,
Cline W. Borders
Director of Missions

Another good year? Yes, because you continue to care for those in your community who need the frequent and sometimes not so frequent assistance in being reminded that there is a God who loves and His people who care, and that His love and our caring can make a difference in their lives. Continue to pray for a vision of ministry here in our community. They are here, and we must find meaningful ways to share the saving love of Christ with them. Thank you and God bless you for all you do to make the above possible through the ministry of the 74 churches in the Kings Mountain Baptist Association.

Robert G. Davis

EXECUTIVE BOARD REPORT 1987

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday, the months of January, April and July 1988. Our church hosts for the meetings were: January—First Baptist Church of Grover; April—Zoar; July—Lattimore.

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Various committee reports were presented at each meeting. Also reports of our Director of Missions and Director of Church and Community Ministries and the financial reports were presented.

Moderator Billy Cooper announced his resignation at our April meeting, stating he had accepted a call to serve Woodmont Baptist Church in Nashville, Tennessee. His resignation was accepted. The association expressed appreciation to Rev. Cooper for his service and outstanding leadership. Rev. Jeff Brendle, vice-moderator, assumed the office of moderator. Joseph E. Cabaniss was elected to serve as vice-moderator.

Seven members of some of our churches went to Sao Paulo, Brazil to participate in the partnership mission program as approved by our Executive Board during the year 1987.

Respectfully submitted,
Joseph E. Cabaniss, Clerk-Treasurer

SUNDAY SCHOOL REPORT

Let me first call your attention to your excellent Sunday School Council, known as the ASSISTeam which has served the association so well during this past year. They are: Linda Ellis and John Hunter with 9 years service, Denise Smith with 8 years service, W.V. Tarlton with 6 years service, Joe Collins with 2 years service, and Cindy Waugh with 1 year service.

They have served the association by planning projects, teaching clinics, and in individual consultation with Sunday School workers in local churches.

New members coming on the ASSISTeam are: Janet Brown of Elizabeth Church who will be Pre-School Director and Mark Jones of Boiling Springs Baptist who will serve as Youth Director.

The first associational Sunday School event was the spring Outreach Clinic at Elizabeth Baptist on March 14-15, 1988. Joe Collins and I taught the Training Union module, "Training Sunday School Workers in Evangelism" to 97 persons representing 22 churches.

Denise Smith directed our Vacation Bible School Clinic which was also held at Elizabeth Baptist, May 3, 1988. Ninety-three persons from 25 churches attended.

The final Sunday School event of the 1987-88 associational year was the Training School at Eastside Baptist, Shelby this past September 12-13. Instead of having age-group studies, two books were taught: Jesus the Teacher and How to Study the Bible. Ninety-one persons from 17 churches attended.

Your ASSISTeam has purchased a set of 13 videotapes, "Excellence in Teaching" by Dr. Jack Terry, Dean of the School of Religious Education at Southwestern Baptist Theological Seminary at Ft. Worth, Texas. These tapes may be checked out of the associational office to be used, along with a workbook, for teaching improvement in the local church.

Jeremiah and Ezekiel both warned us to tell of conditions the way they are. Therefore, I must tell you that under all our excellent achievements there is a malignancy in our midst that can eat away the basis of all our good works. For the past fifteen years, more or less, there has been a general decline in Sunday School enrollment and average attendance in our association. This past year, enrollment declined by 606 and average attendance by 299. Sunday School has been the chief evangelistic arm, fund raiser, and Bible teaching program of Southern Baptist Churches.

We must be convinced of our need to mobilize our Sunday Schools in prospect discovery, quality Bible teaching, and visitation ministry.

Respectfully submitted,
Royce Ballew
Sunday School Director

CHURCH TRAINING REPORT

Church Training is one of the best ways of equipping all Christians for the great work of the ministry.

In 1988, we reached the goal of having 10 churches involved in Children's Bible Drill, a Youth Speaker, a "M" night and an increase in churches having New Member Training.

In 1989, we need also to stress Doctrine Study, MasterLife, New Member Training and many of the Equipping courses.

SUMMARY OF EVENTS

1. 8 churches have 94 people enrolled in their MasterLife Program

BROTHERHOOD REPORT

On behalf of the Brotherhood and the Baptist Men organizations, I am pleased to report that our October mission project, the Cleveland County Fair Breakfast, was a success. The Brotherhood and Baptist Men organizations along with many other volunteers supplied breakfast to 89 fair personnel and, as best we could, shared the love of Jesus with them. I want to thank all the men and women who helped with this worthwhile project.

As Brotherhood director, I have seen much interest from our churches in organizing new brotherhood chapters and also in seeking new mission projects for those already active. I want to thank you for your interest and concern and invite you to contact me or Cline Borders for assistance as you begin to seek out new ways to serve your community and fellowman through the activities of this organization.

Mr. Moderator, I would like, at this time, to nominate Mr. Jack Brack, from Sandy Plains Baptist Church, as our new 1988-89 Associational R.A. Director.

Respectfully submitted,
Harold Wright
Associational Brotherhood Director

WMU REPORT

We have just completed a year of "100" Centennial. This has been a good year, but not in growth, we are sorry to report. Our prayer is that "the future to fulfill" will be a greater year. As we join together in Christ, and let His will be done and not ours, we will begin to climb once again. We ask you to pray for our WMU.

Baptist Women celebrated in May at the Spring meeting and were challenged for the future. This was held at Kings Mountain First Baptist with 94 present.

BYW has been very hard at work in the churches. They have rekindled two burned out BYW organizations.

Acteens have also been very active and have worked with many churches. They have also celebrated the "100" Centennial.

G.A.'s and Mission Friends joined together at Elizabeth Church with games, clowns and many other activities. They made a day of it. If you have not seen the video, I invite you to call Mickie Hamrick at 487-9913.

Our Fall Leadership Conference was held September 26 at Elizabeth Baptist Church with 142 people present. Our new officers for 1988-89 were installed and challenged by Rev. Jeff Brendle, assuring us of your prayers and support.

Respectfully submitted,
Frances B. Cline
WMU Director 1988-89

MUSIC REPORT

The purpose of an Associational Music Director is to give aid and leadership to all the churches in the Kings Mountain Baptist Association. Some churches are fortunate to have a full-time Minister of Music, some a combination Minister of Music. Some churches are blessed to have a bi-vocational music leader and some feel grateful to have a volunteer person leading in some form of Music Ministry. It has been reported that three churches in the Kings Mountain Association do not show any type of music. That report is filed with your church letter and serves as a means of providing information across the State.

The highlight of this past year was a Three-In-One Workshop that included basic music reading, taught by Mrs. Ladell Shields of Beaver Dam; instrumental music, taught by Rev. Lawton Neely of Bethel; and a Sound System Workshop provided by Hames Music of Gaffney, instructed by Mr. Randall Hames. Eleven churches responded to this workshop and appreciated the information and service.

My encouragement is that all churches in the Kings Mountain Association know that the Music Director is in the position for the people in the Music areas of the churches. I appreciate the many conversations of advice and hopeful instruction to several churches in these last two years of service as Music Director. I look forward to new and exciting opportunities through the Music Area of the Kings Mountain Baptist Association.

Respectfully submitted,
Mrs. Dana Bucher Jenkins
Music Director

HISTORIAN'S REPORT

Friends, if you are now or ever have been a church clerk, church historian, associational clerk or record keeper; or if you have been a member of a history committee; or if you have been involved in any reports in this association, or any church and its organizations such as Sunday School, Church Training, W.M.U. or any group or class, please raise your hands.Good, it seems we are nearly all scribes and historians. All of us write and read, and all of us read and write. In our spiritual history the Israelites and Jews kept very detailed records of the tribes, the nation, the battles, the successes and failures of the people. From these records we have a great heritage and store of knowledge.

If you are a scribe, you can write with pen or pencil, you can type it, put it in a calculator or computer or word processor. An integral part of this association is its "paper work".

A hundred years from now our churches and our people will know what we did and what we thought by what we write down and preserve today.

As historian, I wish to compliment all the churches and organizations for their observation and celebration of anniversaries and special events the past year. Our own Zoar congregation will be saluted at the Baptist State Convention in November for their passing the 150th milestone.

Also, I wish to thank Mrs. Delores Hamrick for preparing and presenting the Historian's Report last year when I was unable to be present. Also for the splendid history room and collection she and her committee have prepared at Poplar Springs. Further compliments to Clerk Joe Cabaniss and the record keepers at the associational office for all the good work they do.

A scribe or clerk is also a critic. He or she must make a judgment as to what facts or information is worth writing down and preserving. In the Bible scribes were officers in the tribe or nation. From those scribes we got our Holy Scriptures.

Let me welcome aboard the newly appointed members of the associations History Committee. They are: Mrs. Delores Hamrick, Mrs. David Beam, Mr. Clifford Hughes, Mrs. Jane Jolley, Dr. Garland Hendricks, and Mrs. Margaret Wilson.

We face another great year for making history in this association, as was so aptly described yesterday by our very able Director of Missions, Brother Cline Borders. Please remember:

"History is made by those who dare!"
"History is recorded and kept by those who care!"

Dr. Wyan Washburn
KMBA Historian

BRAZILIAN PROJECT REPORT

If you have been around Vicki Spangler, Rick Hamrick, Phil Reid, Tom Davis, Joey Tomlin, David Swann, Teresa Tomlin, or Wanza Davis, you have probably hard about Brazil. And what's more exciting is that each of these are making themselves available to come and share with your church about an exciting, fast-paced, awe-inspiring, fulfilling, fantastic, thrilling, unexpectedly miraculous, amazing, and life-changing twelve days in Sao Paulo, Brazil. And if you have one of them come and share with your fellowship, you will probably feel the same way.

The first of five years of mission trips to Sao Paulo, got started because missionaries in Brazil wanted their Baptist associations to link up with Baptist associations in North Carolina. Our sister association, the Sul de Capital Baptist Association has approximately eight churches and they are growing. We were faced with a great challenge and so a Brazil Task Force was formed and we began work in January. They were Kevin Rutledge, chairman; Mary Lou Causby, Gene Watterson, P.A. Cline, Phil Waugh, Fred Mauney, Royce Ballew, Frances Cline, Bob Chadwick, Jean Teague, and June Lee. We decided to approach four churches who had expressed interest in this project. We prayed, we planned, we envisioned a pioneering team to get us started on the right track and they certainly did that. One hundred fifty (150) Brazilians accepted Christ.

I want to especially thank Phil Waugh, pastor of First Baptist Grover, for bringing together a group of people willing to go, and for putting together an outstanding orientation program for these who went. Because of his work and that of his subcommittee for orientation, we can now use the team members who went to Brazil to prepare the next group that goes to Brazil.

Many have already asked, "When can I go to Brazil?" We hope that a response is already in the mail to us from Brazil. A letter has already been sent to find out how many they need and when we can send the next team. We will let you know through THE BEACON as soon as we know.

Respectfully submitted,
Rev. Kevin Rutledge, chairman

SENTER SCHOLARSHIP REPORT

I am so glad to be associated with a generous and compassionate Christian group here in the Kings Mountain Baptist Association. I appreciate those who served with me on the Senter Scholarship Committee. They were Mrs. Gladys Ledbetter and Mrs. George Hamrick.

When the Senter Scholarship Committee first met last spring, we wanted to make a worthy on-going contribution to two beautiful lives that were taken while on the mission field in Liberia, those of Libby Tarlton Senter and her daughter, Rachel. As we discussed a goal, it was felt that $10,000 would be appropriate. The criteria for the recipients of the interest of this scholarship would be a person who wanted to go to a seminary in preparation for a foreign missions ministry. Preference would be given to applicants who reside in Cleveland County and belong to a cooperating Baptist Church.

With other special offerings being taken, I am afraid our faith was not as strong as it should have been because were not sure our goal would be reached at that time. I am so glad to report that today this fund totals $12,430.82 and we thank you for making this possible. This money is already earning interest and we will be more than happy to accept other memorials for this scholarship.

Rev. Tarlton, Libby's father, has said that surely something good can come from something tragic and we are witnessing this as we honor the memory of Libby and Rachel Senter.

Respectfully submitted,
Mary Lou Causby, Chairman

EVANGELISM COMMITTEE REPORT

The "Here's Hope: Jesus Cares For You" Simultaneous Revivals are being planned for April 1-8, 1990. Lots of work on this project has already been completed. We are involved with this so that more people might come to know Jesus as their Saviour. We have a lot of work still to be done in Cleveland County with 50% of our population being unchurched.

The year 1988-1989 has been designated as The Year of Laity. Unless we get more people involved in the work of the church we will never be able to accomplish the Bold Mission Thrust goal.

We encourage every church in the coming year to host a Lay Evangelism School. This will get more lay people involved and show them how to be involved.

To get ourselves prepared for the new year we can begin praying, we can begin cultivating friends and we can begin to share the gospel.

Respectfully submitted,
Bob Collins, Chairman
Evangelism Committee

MEMBERSHIP COMMITTEE REPORT

On October 14, 1988, Cline Borders and I accompanied by Rev. Mickey Heyward, pastor of Christopher Road Baptist Mission, went to the church building. It is a nice building situated in a lovely five acre tract of land that is well kept. It is also located in a community of real opportunity.

Since two members of the Membership Committee have moved and neither of the two ladies could attend, but assured me that whatever Rev. Borders and I decided, they would abide by it, I am glad to report to you the following:

The Church was constituted properly. It was sponsored by our association, has the hearty approval of the neighboring churches, has a field of great opportunity, has adopted a good constitution, has pledged 3% of its gross income to the association, has pledged 7% to the Cooperative Program, has pledged $500 to Home Missions, $500 to Foreign Missions and has applied for admission to our association, I am happy to recommend that this church be received under the watchcare of our association at this session.

Respectfully submitted,
W.V. Tarlton

REPORT ON CHRISTOPHER ROAD BAPTIST MISSION

This has been one of the most exciting times for Christopher Road. I am proud to say that as a result of your prayers, support and love we have continued to grow in number and in spirit. The mission would like to report that:

1. We had 13 baptisms this year, 8 of these in ages 30-59.
2. I am sorry to say that we lost 2 members who moved but we had a total gain of 43 new members for the year.
3. This brings our enrollment to 82 for the year.
4. At the present our Sunday School enrollment is 96.
5. I am proud to say that our debt has now been resolved.
6. On September 21, 1988 the church voted to give 7% to the Cooperative Program and 3% to the Associational Mission.
7. Our goals for Home Missions was $350, we received $376.
   Our goals for Foreign Missions was $350, we received $380.
   Our goals for Vacation Bible School Offering $88.36.
   Our goals for World Hunger offering was $155.00.
   TOTAL $999.36
   We have set our Home and Foreign Mission Offering at $500 each for the coming year.
8. The Mission has helped the Association in the Bag Lunch, Clothes Closet, the Food Bank, and the Toy Store Ministries.

9. On September 25, 1988, at 2:00 p.m., the mission constituted as a church . . . in that meeting the church gave a check for $100 to be used in church planting and received an offering of $206.25.
10. We elected and ordained the first Deacon Committee.

As the year progresses I urge you to continue to pray for and support the ministry at Christopher Road. We are in exciting times in the building of a Church. It is by your help and love that we continue to reach people in the Name of our Lord!!! We will always be a part of each of the churches in the Kings Mountain Baptist Association because of the contributions you have made. In the year ahead we will struggle, stumble and even bruise ourselves. Yet, I know that you will be here to help us, hope with us and give honor to our Jesus by reaching out to a World of lost people. You have set Christopher Road in motion. Please do not forget us as we continue to maturity.

To God Be The Glory!!!
Mickey G. Heyward, Pastor

MEMORIALS COMMITTEE REPORT

It is said that a Sunday School teacher was teaching the Bible story of Enoch to a class of little boys. Asking the group if one of them wanted to tell the story, a little fellow volunteered. It went like this.

"God and Enoch were real close friends and every day they would go for a walk together. They talked of many things and enjoyed wonderful fellowship. One day they were so wrapped up in their talk and their fellowship and love for each other that before they realized it they had walked much further than usual. Enoch realized that he must get back home but it was then that God said to him, 'Enoch, we are much closer to my home than we are to yours, so let's just go to my place.' And so Enoch walked to God and he was not because God took him to His heavenly home."

Since we met last Pastor J.E. Bishop, 23 deacons and 256 lay persons have walked on home with God. But along the way they have meant so much to so many people. Many of us are better persons because we've walked in their footsteps. Longfellow expressed it well in these words:

"Lives of great men all remind us
We can make our lives sublime.
And, departing, leave behind us
Footprints on the sand of time.

Footprints, that perhaps another
sailing o'er life's solemn main
A forlorn and shipwrecked brother
Seeing, shall take heart again."

Of many of them, we could say what a young woman wrote to Roy Angell when he retired from Central Baptist Church in Miami: "Life is more precious to me because your footsteps made a path across my soul." And we could say what their pastor said about Charlotte Judge James McMillan's wife when he conducted her funeral: "Her life was a window through which we could see God and know His love." What a legacy they have left us!

We rejoice in the memory of all that these dear ones meant to us and to the ongoing of the Kingdom of God. They walked with us and they walked on home with God. And with our hand in God's we too will one day walk with Him to His home and be forever with Him, with our Saviour, and with those whom we have loved and lost for a while. And now with deep gratitude for all they have meant to us, and in faith that we who are left will continue their good work, we pause in a moment of silence in tribute to them and in gratitude to God that we were privileged to know and love them for awhile.

Respectfully submitted,
C.O. Greene

ORDINATION COMMITTEE REPORT

The associational year of 1987-88 has been a challenging and exciting one. The caliber of young men the Association Ordination Council had the privilege to examine at the request of several of our fine churches indicated fine leadership will be found in many of our pulpits. Ordination Council members who served to examine these candidates for the gospel ministry were Dan H. Jolly (chairman), Mrs. Ann Scism, Rev. Royce Ballew, Mr. Ron Nanney, Rev. Eddie Grigg, and Rev. Cline Borders.

The Association Ordination Council met four times this year for the purpose of examining candidates. One Association Council member was requested by a church to serve on its appointed Ordination Council.

Casar Baptist Church requested an examination of Mr. Kevin Rutledge for ordination whom they had called as pastor. The Ordination Council met October 19, 1987 at the Baptist Center. The Council was unanimous in their recommendation for ordination.

On November 22, 1987 a request from Boiling Springs Baptist Church for "support and involvement of the Kings Mountain Baptist Association" in the examination of Mark Jones to the gospel ministry was fulfilled. Chairman Dan Jolly of the Association Ordination Council was a part of the church Ordination Committee at Boiling Springs Baptist Church. Mr. Jones was recommended for ordination by the Boiling Springs Baptist Church Ordination Committee.

An unusual development came to the Ordination Council when a request was received from First Baptist Church of Shelby, North Carolina to examine Michael Tolbert for the gospel ministry. On December 6, 1987 we met at First Baptist Church in Shelby at 3:00 p.m. Mr. Tolbert, a native of Liberia, Africa, was converted in a revival in Africa and in obedience to God's leadership and calling to the ministry came to the United States. First Baptist Church, Shelby North Carolina, assumed the Christian responsibility to assist Michael in his education at Gardner-Webb and Southeastern Baptist Theological Seminary. During this period of preparation his wife and sons were separated from him in Africa for a period of time. Mr. Tolbert is a member of The Gold Hill Baptist Association (composed of black churches) of Forest City-Spindale area. The Council recommended unanimously his ordination. He has been interim of Oak Grove Baptist Church, Forest City, North Carolina since ordination.

Patterson Springs Baptist Church on December 4, 1987 requested the examination of Mr. James Christopher Schofield by the Ordination Council for the gospel ministry. Mr. Schofield has been called as pastor of Corinth Baptist Church, Oxford, North Carolina. On January 16, 1988, at the Baptist Center, the Council examined Chris Schofield and shared a unanimous recommendation he be ordained.

On May 19, 1988 at the request of Bethel Baptist Church, the Ordination Council met at the Baptist Center to examine Jonathan Cox for the gospel ministry. He has been called to assume the pastorate of New Camp Creek Baptist Church. After examining him, the Council vigorously recommended ordination.

May the year 1988-89 grant us the privilege to examine many more God-called and obedient servants for His service!

Respectfully submitted,
Rev. Dan H. Jolly

RESOLUTIONS COMMITTEE REPORT

Be it resolved that we, the messengers of the 138th annual meeting of the Kings Mountain Baptist Association:

express appreciation for the bountiful and delicious meal to the churches of the Grover group;

commend those who served on the Order of Business Committee for a vital and interesting program, and to those within the association and outside the association serving on the program and for their helpful participation;

we express appreciation to our moderator and vice-moderator for guiding us through these sessions in such a fine and orderly manner, and to our clerk-treasurer for the efficient way in which he handled financial and other matters pertaining to associational work;

acknowledge the good work of all officers and committees who served during the past year, and covenant to pray for and work with those elected for the new year;

express our appreciation to the Director of Missions, and to the Director of Church and Community Ministries, for their leadership, and to the office staff within the associational building for their work and help to all who call on them;

and be it resolved that we, of the Kings Mountain Baptist Association, continue to participate in bold missions aimed at reaching every person in our own land and "to the uttermost parts of the world" with the gospel of our Lord Jesus Christ.

Be it further resolved that the 1988 Minutes of the association be dedicated to the memory of Rev. J. Edgar Bishop, long-time and faithful pastor in this area.

PASTORAL MINISTRIES COMMITTEE

The Pastoral Ministries Committee works at trying to provide opportunities for learning for the ministers and leaders of our association. We all want to be as prepared as possible to help meet the needs that we face in our churches and communities.

Let me take a minute to tell you about our next training experience. We as ministers seem to find ourselves more and more filling the role of marriage counselor. There seems to be an increasing number of troubled homes and troubled marriages. We must be prepared to meet this ever increasing challenge. On Monday, October 31, and Tuesday, November 1, we will have the opportunity for such preparation. Dr. Joe Richardson will be coming from the Sunday School Board to lead in a workshop concerning "The Minister's Work as a Marriage Counselor". Joe is extremely qualified in this field and will share from his experience as well as answer our questions. We do hope that you will take advantage of this opportunity. We will share a meal together on Monday evening through the courtesy of a local business and ask that you make reservations for this event as soon as you can.

Then in March, Joe Jones will be coming from the state convention office to share with us a seminar on the different lifestyles we face in seeking to minister to our ever changing communities. He will give us a better understanding of the way different people think and how we might more effectively reach them with the message of the Gospel. (Joe was at our Pastor's Conference several months ago.)

This is just the next two events. More plans will be made and announced in the very near future.

Let me encourage you to take part in these opportunities. They are planned with you in mind and your participation assures us of even more opportunities such as these in the future.

Respectfully submitted,
Terry Bird, Chairman

REPORT OF ANNUITY BOARD TASK FORCE

I have good news and bad news for you concerning our Expanded Annuity Program.

The good news is that North Carolina has signed more Cooperative Agreements than any other state – including Texas. There have been 129 new members enrolled in the retirement plans during the period January 1-July 15. It is exciting to think about what has been

done to help ministers to retire with dignity. Strong efforts have been made to make all of our churches and staff aware of the opportunities and the need to act on them.

The bad news is that the Annuity Board has been at work for 70 years and only 64% of our churches are participating in its retirement plans. Even many of these churches make no direct contribution—the staff member contributes through the church. The average annuitant in North Carolina receives $234.00 per month, which is far from adequate to meet survival needs. There are some in our association that receive less than $10.00 per month.

Many of our churches have allowed this to happen because they do not understand the work of the Annuity Board. All of the churches that I have had the privilege of working with have become participants, which leads one to believe that if you understand it you want the advantages it offers.

Many pastors feel their financial obligations to be too heavy to participate. The truth is—the more you put in; the more you will get out. Pastors need to start as soon as possible—even small contributions for a longer time will produce greater benefits. Pastors are fearful to talk to the church about the Annuity Program for fear the church will think he is "twisting their arm" for more money. The FACT is that the Annuity Program is protection for BOTH church and staff.

We protect our buildings and properties (with insurance)—are our leaders less important to us? As we have learned about fire and theft insurance, we have taken advantage of it. Let's learn about the advantages of the Expanded Annuity Program and take advantage of it! It has some rich and rewarding long range benefits.

DEDICATION

By recommendation of the Resolutions Committee at the Tuesday evening session of the annual meeting, 1989 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Rev. Russell Lee Hinton.

IN MEMORIAM

Russell Lee Hinton was born June 20, 1925, Edgecombe County, North Carolina, to Mr. and Mrs. C.R. Hinton. He was educated in the public schools of Edgecombe County, Campbell College, Buies Creek, NC, Wake Forest College, B.A., Southeastern Baptist Theological Seminary, Wake Forest, NC, B.D.

He was married to the former Lillie McAlhoney of Fort Mill, SC, on March 25, 1950. He had three children, a son Thomas Russell Hinton, Minister of Youth and Music, Greenwood Forest Baptist Church, Cary, NC. Two daughters: Dr. Karen Caldwell, Counselor and Social Worker, Winston-Salem, NC, and Mrs. Shelia Duke, Special Education teacher, Stanley County Schools, Norwood, NC.

He professed faith in Christ at the age of twelve at the New Hope Baptist Church, Elm City, NC and was ordained to the Gospel Minstry by the Proctor's Chapel on December 11, 1949. He served his country in the U.S. Navy in World War II.

He served as Pastor of Osbourne Mission, Leaksville; Providence Baptist, Stoneville; Bear Marsh Baptist, Mt. Olive; Calvary Baptist, Hamlet; Conrad Memorial, High Point; Oak Grove Baptist, Kings Mountain; and Fraley Memorial, Gastonia. He served two years as Minister of Education at North Main Street Church, High Point. His last pastorate was at Double Shoals Baptist Church, Shelby, from 1984 until the time of his death, returning from the Southern Baptist Convention, June 23, 1989.

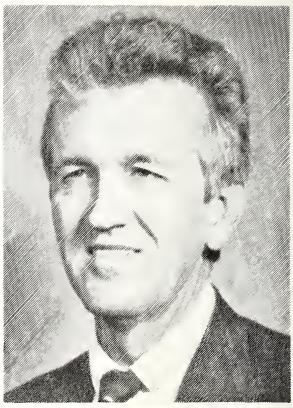
He served on various associational committees. In 1971, he went on a preaching mission to Jamaica and Haiti, preached on Reveille for Revival on WOAS from 1971-1974. His last trip abroad was to Arusha, Tanzania, East Africa in 1979.

A deeply spiritual servant of God, loved and respected by those who knew him, Russell was made stronger at all points by a loving and dedicated wife and three obedient and successful children and their families.

Russell, "Well done, thou good and faithful servant."

Respectfully submitted,

Rev. W. Marion Adams, Chairman



A Brief History of Double Springs Baptist Church

Double Springs Church, founded in 1844, sits on what has been called the loveliest spot in Cleveland County. The church's educational building and adjoining sanctuary are bordered with tennis courts, a softball field, and picnic tables by the creek.

This creek's two springs became the inspiration for both the church itself and its name. Travelers stopped at the site for water and worshipped together under an arbor led by itinerate horseback preachers. These people were led to organize a new church which began with 34 members.

Today Double Springs worships in its third sanctuary which was built in 1963. An educational center is attached with classrooms for all ages of its membership.

After a rich history of service to its association, state and national conventions, Double Springs continues to lead its community in service for its Lord.

Rev. Bruce Rabon serves as pastor and Mr. Joe Costner as Minister of Music. The current membership is 524.

History of Pleasant Ridge Baptist Church

A small two room school served as the genesis of Pleasant Ridge. A group of concerned persons meeting there in 1915, founded a Sunday School. Ministerial students from nearby Boiling Springs High School and aided by Rev. W.G. Camp, assisted in the preparatory work. Once the decision had been made, a parcel of land was given by Mr. & Mrs. Ances McSwain and family. A one room structure valued at $2,000, served the early years.

Unlike our current practice, church conference was held on Saturday. Sunday School was held each week. The church was accepted into the Kings Mountain Baptist Association in the fall of 1915. Rev. B.M. Bridges served as the first pastor.

The first building was replaced in 1951. In 1956 the church constructed a parsonage. In December 1957, the church was destroyed by fire. For twenty-three months services were held in the Lattimore School building. In November 1959, the present building was ready for occupation. A Family Life Building was built in 1981 consisting of a full court gymnasium, kitchen and fellowship area.

Pastors serving the church have been:
Rev. B.M. Bridges
Rev. I.D. Harrill
Rev. W.G. Camp (on two occasions)
Rev. Jessie Blalock
Rev. Albert Hastings
Rev. James Stamey
Rev. Max Evington
Rev. Paul West
Rev. Joel Jenkins
Rev. Bob Cline
Rev. Terry D. Cagle (current pastor)

Current membership is 605.

21. Moderator Jeff Brendle presented the evening message. He shared scripture from Luke 5:27-39 on the parable of the wine skins. He stated the Gospel is always new, never old. If we do not find ways to adapt its message it will tear us apart. Issues that cause conflict and divide the convention are "wine skin" issues. We become so rigid that the gospel is being wasted. Some of the issues in our association are: 1) Starting new churches- last year Christopher Road Mission was constituted as a church. That is new "wine skin" stuff- shows we are growing. 2) New black SBC church- will we be "new wine" skin enough to be there for them? Are we flexible enough to accommodate them if they choose to join our association? 3) Association Church Development Staff Person- this has been discussed for four years. Are we creative and adaptive enough to go for this or will we let this opportunity pass us by? Are we, as a people, old or new wine skins?
22. Rev. Claude McIntosh, pastor of David Church, pronounced the benediction.

1989 will be remembered as the year of storms in Cleveland County and the Carolinas. On May 5 a tornado ripped through upper Cleveland, Lincoln and Catawba counties. Two persons, Mr. and Mrs. Dock McNeely, who belonged to Carpenters Grove Baptist Church, were killed. A total of four were killed in the area. Forty-four homes in Cleveland County were damaged by the tornado and the damaged ranged from tin and shingles being blown off the roofs to homes being totally destroyed.

Abby Ledford, chairperson of Cleveland County Emergency Services, called and asked if the Kings Mountain Baptist Association would receive and distribute funds and other necessities to the victims of the tornado. My response was immediate and definite that we would be pleased to render this service.

During the following days we received canned goods, linens, twenty-five sets of mattresses and box springs for distribution. We received funds which totaled $56,662.55 from 246 individuals, businesses and churches. We felt the responsibility of seeing that these funds were disbursed with equity according to need. In the beginning, we depended on others to provide the information as to losses, monies received and uninsured losses but we finally gave up and did our own study. We formed a Task Force of persons composed of friends and neighbors of those who had losses as well as personnel from Cleveland County Emergency Services. Those who responded to our call were Rev. Terry Bird, Rev. Lindsay Sadler, Haley Dedmon, Abby Ledford, Raymond Walker, Joe Wright, Bo Lovelace, Rev. Archie Chapman, Eunice Chapman, Bob Davis, Ted Grayson, Claude Brown, Rev. Jerry Rumfelt, Robert Warlick, Marilyn Warlick, W.E. Falls, Rev. Cecil Buff, and Rev. Cline Borders. We felt they could best secure this sensitive information.

Our Task Force did their work and came back with good information. We asked the Task Force to make the decisions as to how the funds would be divided on the basis of uninsured losses. As director of missions, I moderated the meeting on July 19, 1989 and the Task Force struggled with the decisions until they felt the money was appropriately divided. Checks were written that same afternoon and the Task Force agreed to go back to their contacts and deliver the checks within the next twenty-four hours.

Funds, which continued to come in after the disbursement on July 19th, were held in case we had overlooked someone. Two families reported losses to us but upon investigation we found they were not related to the tornado.

On September 22, Hurricane Hugo struck the coast of the Carolinas and left havoc from Charleston, South Carolina to North Myrtle Beach. The storm came inland and left a path of destruction all the way to West Virginia. Some areas that were especially hard hit were the Charleston and Screvan Baptist Associations in South Carolina and Union, Mecklenburg, and Gaston Counties in North Carolina.

We began immediately to prepare to assist these areas. We delivered a station wagon load of new blankets and linens left from our tornado collection and $200.00, designated for Hurricane Relief, to the Gaston Baptist Association on Monday, September 25 after the storm. We took the remaining $697.00 left from the torando fund and added other funds which came in and immediately sent them to the South Carolina Baptist State Convention marked "Disaster Relief". I talked with the Charleston and Screvan Associations and they shared a list of needs. A letter was sent at once to all the churches containing this information. Churches began responding to this need as well as with monetary gifts. The total amount of money received and sent as of October 9 was $3,569.00. No doubt more will be received and it will be sent immediately.

Dedmons Trucking Company provided us with a van that was parked on our lot for receiving canned foods, new linens, and paper products to be sent as transportation was available or if the truck was filled it would be taken to the Charleston area.

Information was received from the North Carolina Baptist State Convention concerning the need for clean up crews in Union, Mecklenburg, Gaston, Charleston, and Screven

Associations along with names and telephone numbers of persons to contact. The Emergency and Relief Committee came together and agreed to deliver this information to the churches suggesting that teams be formed to respond to the needs.

Another storm of a different nature, but a storm none the less, was the departure of Bob Davis our Church and Community Ministry Director. Bob's last day with the Kings Mountain Baptist Association was August 31, 1989. He took medical leave due to failing health. Mr. Davis is on dialysis and hoping for a kidney transplant.

For eleven and one half years he created and led the churches of the Kings Mountain Baptist Association in one of the finest programs of outreach in North Carolina and possibly the Southern Baptist Convention. His theme was "To Touch the Hurt". With meager beginning, but because of the intense mission interest of the people and churches of the Kings Mountain Baptist Association, the work grew rapidly. Duke Power created a matching fund to assist persons with utility needs. Civic groups began giving money on a monthly basis and the Church and Community Ministries Department of the Kings Mountain Baptist Association was selected to disburse these funds. Methodist and Presbyterian churches have chosen to handle their benevolent work through this ministry. Sunday School classes and individuals gave generously. The total designated funds given this past year were $75,750.15. The association budgeted $9,100. This makes a grand total of $84,850.15 administered by the Church and Community Ministries Department to truly "Touch the Hurt". They say money speaks and this speaks loudly of the mission commitment of our total community.

During his ministry, Bob Davis was a true colleague in the Lord's work. He was cooperative, non-possessive, creative, energetic, willing and an amazing manager of the vast number of volunteers who help carry forth the many ministries. These ministries include work with migrants, literacy, juvenile court, and a sandwich and soup lunch ministry made available to the homeless with the cooperation of First Baptist Church of Shelby. It really is impossible to list all the existing ministries, for he saw it as his task to challenge the Kings Mountain Baptist Association to "Touch the Hurt" wherever it occurred.

Our association and county will never be the same. The Social Services, Mental Health and Prison learned that his offer to help was real and he established a working relationship with all the helping agencies.

Now that Bob is no longer on staff in our association, it feels like a storm has swept over us. We will struggle to regain our composure and continue each and every ministry but we know what a great loss we have suffered in that Bob's health would not allow him to continue to work and minister in our association. I do not believe many would have stayed with it as long as Bob did but we are most grateful.

Now you know why I began this report by saying this has been the year of storms. Our losses have been real. We will endeavor to recover by the grace of our Lord and the willing and able assistance of his servants. Bob Davis helped us write a wonderful chapter in the history of the Kings Mountain Baptist Association but there are other chapters to be written. I make my commitment to our Lord, and to you, the Kings Mountain Baptist Association, that ministry and service will continue to be my goal.

What a year! Needs in out community continue to grow but along with that growth is also a genuine concern being shown by Christians as they obey God's command that we love Him and others. Love is an active process, not passive, so thanks for the way you willingly give of your time and resources! Pray that we will always have a compassionate heart where persons are concerned.

EXECUTIVE BOARD REPORT- 1989

Three regular meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday during the months of January, April, and July 1989. Our church hosts for the meetings were: January-New Bethel; April-Putnam; July- Kings Mountain Baptist.

At each meeting, new pastors and new Board members were recognized and welcomed.

The reports of our Director of Missions, Director of Church and Community Ministries, the various committees, and the Clerk-Treasurer were presented at each meeting.

At the April meeting, upon the recommendation of the Finance Committee, the Executive Board approved increasing Jane Brendle's working hours from thirty hours to forty hours each week. Her salary was to be adjusted accordingly.

At the July meeting, the Executive Board approved the following:

(1) Rev. Russell Fitts recommended that the association sell three lots in the Kingston Community, given by Bud and Evelyn Spangler, to Mr. Bobby Freeman for a cost of $5,000 and that the proceeds be used for the development and maintenance of the Baptist Center building, as this was the intent of the donor.

(2) Dr. Harold Fite, on behalf of the Shelby group of pastors, recommended that the Kings Mountain Baptist Association encourage and offer guidance to the development of a Southern Baptist Church in a predominately black community in Shelby and that an Advisory Council, composed of members from interested churches, be formed to support this need. When a nucleus group (15-20) is formed that the council work with the group as it did with Christopher Road Mission.

Thank you for your continued support of the association.

Respectfully submitted,
Mr. Jimmy Greene
Clerk-Treasurer

STRATEGY PLANNING MOTION

Strategy planning is a process involving a wide-range of people to take an intensive look at "why" and "how" we do missions in Cleveland County. Strategy planning will set the direction of the association for the next three to five years. Directors of missions are managers of the program and the churches are the owners.

It would mean taking a fresh look at all job descriptions, organizational structure, discovering mission needs, studying the population and churches and processing all of this in a retreat setting.

We would need the services of an outside consultant to conduct the retreat and assist us as we formulate recommendations, job descriptions, structure and planned responses to churches and mission needs. The process will take from 15-18 months.

The end results should be a broader range of ownership, intentional mission response, an organizational structure designed to meet our needs and create a better understanding of our unique place of service.

The Executive Committee recommends that we initiate the Strategy Planning Process.

Jimmy Greene,
Clerk-Treasurer

MOTION FOR CHURCH AND COMMUNITY MINISTRIES INTERIM

At the request of the Director of Missions, the Executive Committee considered the need for an interim director of Church and Community Ministries.

After considerable discussion, Rev. J.C. Goare made a motion that Rev. Sam Synder be recommended to the annual meeting to serve as interim Director of Church and Community Ministries. The motion was seconded by Rev. Dan Wallace.

The suggested job description will be to oversee the work and maintain the existing programs. There was a recommended salary of $400.00 per week to be divided between salary, housing, insurance, and travel. The motion passed unanimously.

I move for the adoption of the recommendation of the Executive Committee.

Jimmy Greene
Clerk-Treasurer

SUNDAY SCHOOL REPORT

The Sunday School report must begin with recognition of the associations Sunday School council, a group currently known across our convention as the ASSISTeam. Without this group of dedicated people, associational Sunday School events could not take place:

Denise Smith, Adult and VBS Director with 9 years service.

W.V. Tarlton, Homebound Director with 7 years service.

John Hunter, Teaching Improvement Director with 7 years continuous service, 10 years total.

Joe Collins, Outreach Director with 2 years service.

Janet Brown, Preschool Director with 1 year service.

A new member on the ASSISTeam is Ruth Whisnant as Children's Director.

ASSISTeam members receive specialized training at special conferences provided by the state Sunday School Department. They attend Ridgecrest and other Sunday School Conferences and take part in planning and training sessions here in the association. Members of the KBMA ASSISTeam, not only attend training conferences, they are used by the state and SBC Sunday School Departments as consultants and conference leaders. Members of your ASSISTeam are also used as lesson writers by the Sunday School Board. Your ASSISTeam is available for individual conferences with Sunday School workers, they are trained to present conferences and special studies for church training. Feel free to call upon your ASSISTeam.

Associational Sunday School events for the past year included:

The Spring Teacher Training Clinic at Bethel Baptist, March 13-14. The thrust of the clinic was to help Sunday School workers understand the psychology and learning patterns of the different age groups. ASSISTeam Teaching Improvement Director, John Hunter, planned and directed the clinic which had 47 people representing 11 churches in attendance.

Andy Anderson, Sunday School growth expert, led a Growth Spiral Workshop, April 29 at Elizabeth Church. ASSISTeam Outreach Director, Joe Collins was responsible for arranging this outstanding event which attracted people from all over the state and included a good representation from the Ebenezar Association.

ASSISTeam Vacation Bible School Director, Denise Smith, organized the Vacation Bible School Clinic held May 9 at Elizabeth Baptist. There were 98 people from 23 churches in attendance.

Thirty-nine Sunday School workers representing 13 churches met at Gardner-Webb September 12 for a Literature Workshop. Each age group reviewed the many items of Bible-based material available from our Sunday School Board to learn how to select what is more appropriate for their church and how to most effectively use it.

Associational Sunday School events planned for 1990 include a VBS Early Planning Clinic on Feb. 5, and the VBS Clinic on April 21. A special event is the "Final Four Rally" on May 8 featuring Dr. Ken Hemphill, pastor of the First Baptist Church in Norfolk, VA and a former defensive line-backer at Wake Forest. Outreach Training will be Sept. 10-11.

The ASSISTeam feels that the association should by focused on the "Here's Hope" revival next spring. For this reason it has not planned a spring teacher training event. The importance of the Sunday School in evangelism cannot be overstated. Lost people are much more likely to accept the Lord during evangelistic emphasis if they have been participating in Bible study and receiving caring ministry from a Sunday School class. Lives won are much more likely to grow into Christian maturity if they are in Sunday School.

Based on churches that had submitted their associational letters by Monday morning which represent about 90% of our Sunday School enrollment, it appears that there was an increase in average Sunday School attendance this past year with enrollment being about the

same. This is good news. Our association peaked in Sunday School enrollment in 1955 and in average attendance in 1956. Our state peaked in Sunday School in 1963, and our neighboring states of South Carolina and Virginia have had the same experience. We must confess our failure to reach our growing population and pray that the Lord will lead us to use our Sunday School to reach a lost and dying world.

Respectfully submitted,
Royce Ballew,
Sunday School Director

BROTHERHOOD REPORT

On behalf of the Baptist Men and Brotherhood organizations I want to say that it has been an active year for mission work in our association. We have had many opportunities to serve our neighbors and we are pleased that we could assist in the relief effort.

Our most recent mission project was the Cleveland County Fair Prayer Breakfast. This year we had the privilege of serving 113 fair personnel, one of the highest numbers ever, plus we had several workers to share burdens on their heart with some of our pastors and laymen. This is one of the most meaningful and worthwhile ministries our association can support.

In closing, I want to take this opportunity to personally thank each of you that helped in our organizations mission projects this year. God will bless you for it.

Respectfully submitted,
Harold Wright, Director

R.A. REPORT

I would like to say thank you for letting me serve as your Associational R.A. Director for the past year. I would also like to apologize for not being in attendance to present the R.A. Report at the annual meeting. It has been a rewarding year for R.A. work in our association and in the different R.A. chapters in our churches. I would like to share with you some of the R.A. accomplishments for 1988-89.

On March 11, 1989, we had our first Lad and Crusader Field Day. This event was held at Crest High School. We had 180 R.A.'s and workers share in this learning experience. We were happy with all the support we received from all the churches involved.

On July 21, we had our first Associational R.A. Camparama held at Kings Mountain State Park. There were 80 R.A. campers and leaders with a total of six churches represented.

I would like to thank the counselors who had a part our R.A. University which was held at Wingate College. Our association had 12 counselors. There were more counselors from our association than any other association that was there. We learned a lot about R.A. training as well as enjoying a great time of fellowship.

On September 25, the association had its annual R.A. Workshop with 42 Baptist Men, High School Baptist Men, Pioneer, Lad and Crusader counselors present.

Our thanks go out to our Lad chapter of Elizabeth Church and the Pioneer chapter of Polkville Church who worked long and hard to win "Honor Chapter of the Year". It takes a lot of dedication from kids and counselors to win this award. This is one of the highest awards you can earn as a chapter. Let me again thank you for all your work and tell you how good it feels to know there are R.A. chapters that are dedicated to serving other people and Christ.

A special "thank you" to Brian Ledford who won the High School Baptist Young Men and Pioneer State Speakout. Brian competed against other young men throughout the state and took first place. Congratulations.

I am really excited about the coming year as we work together to teach others about Christ through our R.A. program.

Yours in Christ,
Jack Brack, Associational R.A. Director

WMU Report

Last year I asked you to pray for our WMU in that with the help of the Lord we could once again grow in our organization. Praise the Lord for answered prayer.

This has been a great year. We had a full slate of officers. We prayed together, worked together, and accomplished much.

This report is not 100% correct but from reports received we have added 5 new organizations, 67 new members, 2 churches have achieved the level of Standard, and 1 church has achieved the level of Distinguished.

Our Spring meeting was held April 18, 1989.

Baptist Women sponsored World Day of Prayer and a Salad Mission/Sampler Luncheon. At the Luncheon meeting we listened to volunteers who had been on the mission field. Seventy-five people attended the World Day of Prayer.

BYW honored the MK/International Students at Gardner-Webb College at a banquet.

Acteens had a sack supper at the associational office with fun and fellowship. They took a look at "New Frontiers". They supplied toys for the toy store. The Acteens also carried two bus loads of Acteens and leaders to Texas for the National Acteens Convention.

G.A.'s had a Mission Adventure fellowship at Elizabeth Church in the Life Enrichment Center with approximately 208 attending. Rev. & Mrs. Kevin Rutledge shared their experience to Austria.

Mission Friends had an outing for children and leaders for the very first time. Approximately 130 children and leaders attended.

I would like to say thank you for letting me serve in this field and I praise the Lord for my council. Without them we would not have had the wonderful past year.

Please continue to pray for us.

Respectfully submitted,
Frances Cline, WMU Director

MUSIC REPORT

The Ministries of Music and Music Directors have had an exciting new beginning this year as a group learning and enjoying fellowship with each other. A board of Zone Directors was implemented. Willing Music Directors became a Zone Director or contact person and were assigned a small group of churches to inform fellow Music Directors of upcoming events.

Every quarter a meeting was scheduled for all Music Directors for planning and fellowship time. The meetings alternated between luncheon at Western Steer or an evening meeting at one of our churches. The luncheons being more convenient for full-time and the evening meetings more convenient for part-time and volunteer Music Directors. The Music Directors who attended these meetings planned events in the association.

Because of limited space in the Beacon, all Music Directors receive a newsletter each quarter filled with information of events and services available to them in the association.

This past year we have also started an Associational Music Library. Music Directors submit names of music at their church that they are willing to let other churches borrow. When churches are in need of a particular piece of music, they call the Associational Office and they can tell which church has that piece of music. This service is still in an infant stage. We need other churches to submit their music for the library to work effectively.

Ten music instructional BTN video tapes were purchased this year and are available to check out free of charge to any church that needs them.

The biggest event this year was the KMBA Choral Clinic held at Second Baptist, Shelby on April 1. Bill Thomas, Minister of Music at First Baptist, Greenville, SC, and former music professor at Mars Hill College led the clinic. Fifty-three people and nine churches participated.

Last month we held a Christmas Music Read-in. Three ministers of music brought Christmas music from their churches. We sang through them and got good ideas for Christmas.

I have made it a priority to call each music director in our association to become acquainted as well as to find out how the Association can serve them better.

I want to thank the thirty-five music directors who have participated and worked this year. All that has been accomplished could not have been done if not for them. I especially appreciate them for taking time from busy schedules and attending meetings and events.

Respectfully submitted,
Beth Heffner, Music Director

HISTORIAN'S REPORT

GERONTOLOGY, AGING AND GERIATRICS are in style!

These big words have to do with aging and growing older, and these things are very much in the news nowadays.

Our church are aging, too.

In the Kings Mountain Association of 74 churches, 22 of our number or about 30 percent, will be 100 or more years old this year.

These century-old churches in descending order of their ages are: Zion, the oldest at 173 years, followed by Elizabeth, Zoar Waco, Bethlem, Double Springs, Boiling Springs, Shelby First, New Bethel, Mount Sinai, Beaver Dam, Pleasant Hill, Sandy Plains, New Prospect, New Hope, Pleasant Grove, Grover First, Ross Grove, Patterson Grove, Union, Carpenters Grove, and Kings Mountain First, the latter to reach its Senior status this fall.

These 22 centurion churches have approximately half the membership of the association, and last year gave approximately half of all contributions to both local expenses and all benevolent causes.

That is the way it ought to be, the older member of the family setting an example for younger ones.

One of the ways the association has grown with the years is by division, or the establishment of a mission from the older church. This form of "missions" is still happening.

In Bible times the elders sat at the city gate where they counseled the young and greeted the strangers. That is a good role for our older sister churches now.

Christopher Road Church will be 100 in the year 2086 A.D., and if Mickey Heyward is still pastor then I hope his church will host the association and give us a good 21th century meal.

Not only our churches, but individuals members are older and living longer. This presents problems for our churches and their leadership. Think of Medicare, Medicaid, Social Security, various pension and retirement plans, with many of us confronted with reduced or even loss of income; inflation, poor health, serious sickness, accidents, and perhaps a stay in a nursing home or hospital. Costs could be astronomical.

Living patterns are so changed that the parents may no longer be able to live with a son or daughter, as in the old days.

Some of the best service and profound joy in the church fellowship is now coming from some of our "Senior" groups. In Boiling Springs we call it the J O Y club, (Just Over Young). These elders, mostly unemployed and retired, visit the sick, do home mission projects, and have marvelously good times in travel on the church bus.

Some of our Bible and national heroes and heriones did their best work in old age, such as Noah, Abraham, Moses, and St. John, the Apostle. In America we have had Ben Franklin, Thomas Edison, Henry Ford and Grandma Moses, who did her best painting when over 100 years.

There should be no despair or regret in aging, in a church or a Christian. Most of us can say with the poet, "Grow old along with me, the best is yet to be, the last of life for which the first was made..."

Let us not cast aside or by-pass any church or individual, simply because they are old, but continue to use them, nurture and improve them, and with the Psalmist, renew their spirit, as upon the wings of an Eagle.

Our times are within His hands, who saith, "A whole I planned". Youth shows but half; trust God, see all, nor be afraid.

BRAZILIAN PARTNERSHIP REPORT

Our second Brazil team- Mr. David Swann, Mrs. Wanza Davis, Rev. Larry King, Mr. Dennis Wells, Rev. Ken Cobb, Mrs. Priscilla Wray, Mrs. Vivi Penya, Mr. & Mrs. Harold Causby, and Rev. Broadus Heatherly departed August 31 for Sao Paulo, Brazil and returned home September 13. This was the second trip to Brazil for David Swann and Wanza Davis.

Appreciation is expressed to Rev. Joey Tomlin who coordinated the trip this year and served as the Brazil Orientation leader. Appreciation also is expressed to each team member who shared their time, talents, and resources in this important ministry as well as their respective churches for their support.

There still remains three more years that associations in North Carolina may link with the Sul de Capital Baptist Association in Brazil to reach people for the Lord and to reach the goal of establishing 1,000 new churches during the five year partnership.

SENTER SCHOLARSHIP REPORT

This is the second year of the Senter Scholarship. The purpose of the scholarship is to honor the memory of two of our foreign missionaries killed in Liberia, West Africa, Libby Tarleton Senter and her daughter, Rachel.

The citeria for the recipients of the interest of this scholarship would be a person who wanted to go to a seminary in preparation for a foreign missions ministry. Preference would be given to applicants who reside in Cleveland County and belong to a cooperating Baptist church.

To date we have not had an applicant. This fund now totals $15,971.85 and continues to earn interest. The committee has set the last Sunday in June each year to receive gifts for this memorial. However, we would like to encourage you to continue to give other memorial at any time to this scholarship.

Mary Lou Causby, Chairman

EVANGELISM COMMITTEE REPORT

April 1-8, 1990, are our dates to participate in the simultaneous revivals being planned and prayed for. The goal is to see thousands across our nation come to know Jesus as Savior and Lord. The preparation for these revivals on the State and National levels is astounding. The publicity for it is the best Southern Baptist have ever produced. The materials are first class.

Our prayer is that every church in our Association will participate in two ways. First, by holding a revival on or around April 1-8, 1990. Second, by contributing $1.00 per average Sunday School member to our Association as we do our part in helping prepare the way. We have set a budget of $10,000 for our Association to use in preparing for our revivals. $6,000 of this money will be used for local publicity. The State Convention will be paying for television commericals, we will be taking care of radio and newspaper spots, and billboards. We have available to us first rate materials, we don't want to do a second rate job.

A church manual has been sent to each pastor to help prepare his church for revival. The Association will provide training in this manual this fall, so we can do the best job preparing for April. God will bless our work if we prepare and give Him our best.

Respectfully submitted;
Robert J. Collins, Chairman
Evangelism Committee

MEMORIALS COMMITTEE REPORT

Our Lord understands the sense of loss which our people have endured this past year. Their loss and our loss would seem more real than the gain that has come to our beloved.

The words of Rev. 14:13- "Blessed are the dead who die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them," comforts our hearts and helps us realize in Christ the life that death never takes away. They that love beyond this world cannot be separated by death, for death cannot kill that which never dies.

We are prone to mourn when death claims our loved ones. Sometimes to the point as if all hope were almost gone and grief unbearable...broken dreams, memories of a quieted voice, a familiar touch, vanished hopes, but when we take our sorrow to Jesus, the Lily of our valley who blooms all time, He binds our broken hearts, His countenance shines upon us, and a sense of His presence strenghtens us and within we experience aspriations that surpass the joys of this world. He turns the shadows of night into morning. The Christian is sustained by faith that is stronger than death and comforted by the hope that life is endless.

Someone has written:

"The passing of our loved ones bring much bitter pain and grief
But there's comfort in the knowledge that our loneliness is brief.
A bright and endless day awaits beyond the silent night
For death is but the door that leads to everlasting light."

As we pause now and remember the servants who shared life and love with us, we sense a closeness to one another, renewing our love and tender affections. So may it also draw us nearer to our Lord.

In loving remembrance of: Rev. Russell Hinton, Rev. Francis Gehring, 7 deacons, and 258 persons. "The grace of our Lord Jesus be with you all."

Respectfully submitted,
Cecil Buff

ORDINATION COUNCIL REPORT

Associational year 1989-90 has presented the Ordination Council members an opportunity for service on two occasions. Both times the Council found the young men worthy candidates for ordination.

Love Valley Baptist Church requested an examination of one, Dennis Aldridge, who they had called as pastor. The Council met June 15, 1989 at the Baptist Center. The Council shared a unanimous recommendation he be ordained.

Calvary Baptist Church shared a request for examination of James Byrd for ordination on July 23, 1989. On August 22, 1989 the Ordination Council convened at the Baptist Center for this purpose. The recommendation was for ordination to be pursued by his home church, Calvary Baptist Church, Mount Airy, North Carolina.

Our Ordination Council this year was composed of Rev. Royce Ballew, Rev. Eddie Grigg, Mrs. June Lee, Mrs. Recca Bingham and Rev. Dan Jolly, Chairman.

Our prayer and desire for 1989-90 is for the privilege to examine God-called and obedient servants for His service.

Respectfully submitted,
Rev. Dan Jolly, Chairman

ANNUITY TASK FORCE REPORT

The Annuity Board continues its effort to "serve those who serve the Lord". Goals set by the Annuity Board Trustees for 1989 include:

Developing a long term care plan for Southern Baptist ministries and their families;
Providing an approved IRA or restoring the tax deductible option of the Voluntary Annuity Plan;
Providing more choices for minister's family insurance protection;
Working to control health care cost;
Developing materials on financial planning;
Continuing to make churches and ministers aware of retirement and insurance plans.

A new and improved insurance program is being offered under the name Churchlife with four plans from which to choose. There has also been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be responsible employer and to provide a plan for those who serve the Lord in that church.

This is what happening in North Carolina:

-There are now 2,162 North Carolina churches and associations contributing to retirement plans.

-North Carolina has 1,892 signed Cooperative Agreements! More than any other state!

-The average annuitant in North Carolina receives $249.96 per month, up from $234 last year.

-There are 1,764 annuitants receiving benefits each month in North Carolina- $440,929.89 each month!

But there is still much to be done. Consider that only 64% of our churches are participating in our retirement plan. Many of these do not actually make contributions. The ministers makes contributions of his own. Small contributions make the annuitant benefits small. In North Carolina, 1,287 receive less than $300.

We have a great challenge before us to help ministers prepare for the future and to help churches be responsible employers.

Respectfully submitted,
E.H. Sessom, Chairman

MINISTERS' WIVES AUXILIARY

The Ministers' Wives Auxiliary of the Kings Mountain Baptist Association consists of women whose husbands are Baptist ministers-pastors, full-time ministers of education, music, youth, retired ministers, widows of ministers, or women in these areas of ministry.

The Auxiliary exists for fellowship. Salad luncheon meetings are held October through May at 12:00 noon the Thursday after the first Sunday each month, with the exception of December and February. During the Christmas and Valentine seasons, evening banquets are held in a host church. These times afford special opportunities for the ministers and their wives from all our churches to get acquainted and stay in touch as an associational family.

Marie Wall, President

FINANCE COMMITTEE REPORT

The Finance Committee has had a busy, but a good year of service together. As a part of our year's work, we have tried to take seriously the job/task descriptions assigned us by the Association. One of the tasks assigned to the Finance Committee is that of devising "plans for securing the cooperation of the churches in raising funds to meet the budget...." In order to accomplish this purpose, a series of six breakfast meetings was held in June and July, one breakfast in each area group. Pastors and key leaders from the churches were invited to participate in this breakfast meeting. We are delighted to report that a substantial nember of our churches sent representatives to these meetings. The meetings focused on sharing information about the work of the Association and how that work can be enhanced, the sharing of information about new and expanded stewardship promotion materials, and the sharing of some "personalized" information about each church's giving patterns for the last ten years.

As we anticipate the future and plan for it, a "Witnessing-Giving Seminar" will be held in June of next year to encourage all believers to see the vital link between the giving of one's gifts and the offering of his life as a living witness to the love of our Lord.

Your faithfulness as churches has enabled the Association to carry on a quality of ministry and mission this year that is truly commendable. We offer gratitude for all that has been and encouragement for all that is yet to be.

The Committee received an audit report for associational books by the Tommy Greene Accounting Service in Boiling Springs and we commend those persons who maintain our books for the quality of their work.

Respectfully submitted,
Bruce Rabon, Chairman

BRIEF HISTORY OF THE KINGS MOUNTAIN BAPTIST ASSOCIATION

On November 7, 1851 the following churches from the Broad River Baptist Association met at Double Springs Baptist Church for the purpose of organizing a new association: Beaver Dam, Bethel, Boiling Springs, Broad River, Buffalo, Double Springs, Mt. Pleasant, Mt. Sinai, New Bethel, Pleasant Hill, Sandy Run, Zion, and Zoar.

The need for a new association resulted from geographical conditions. The boundary of the Broad River Association was so extensive that delegates were unable to attend the annual sessions due to swollen rivers and streams.

The name "Kings Mountain Association" was chosen because its boundary included the Kings Mountain battleground, a monument to be remembered by every patriot and lover of religious liberty.

In 1903, the association appointed a committee to establish and endow a denomination high school. In 1905, Boiling Springs was chosen as the most suitable site by a 15-member Board of Trustees. The Sandy Run Association was invited to join the Kings Mountain Association in establishing the school. In 1906, efforts and plans were begun to raise money for the school and in 1907, the first building was erected. The school opened on October 1, 1907 with 135 students. The first principal was Professor J.D. Huggins. The school later became known as Gardner-Webb College.

Directors of Missions who have served the association are:

Lewis E. Ludlum	1946-50
Tom W. Bray	1950-59
C.O. Greene	1959-73
Cline Borders	1973-present

During the tenures of Rev. Ludlum and Rev. Bray, the association occupied an office in the First Baptist Church, Shelby. In 1949, the association voted to build a missionary home on Buffalo Street for the associational missionary. In 1959, the association voted that the missionary home be turned into an office building to provide space for the associational missionary, secretary, clerk/treasurer and to provide conference space for meetings. The home was sold in 1965 and the association rented office space in Shelby.

In 1978, the association called Rev. Bob Davis as Church and Community Ministries Director. Rev. Davis served until August 1989 when he went on medical leave.

Additional staff and growing ministries led the association to build an associational complex on Wyke Road in Shelby. In 1981 a dedication service and open house was held.

Currently the association is made up of 74 member churches with a total church membership of 28,096.

DEDICATION

By recommendation of the Resolutions Committee at the Tuesday Evening session of the annual meeting the 1990 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Rev. Wilson Padgett and Rev. William Valentine Tarlton.

IN MEMORIAM

William Valentine Tarlton was born February 3, 1899, Marshville, North Carolina, the son of Mr. and Mrs. James Tarlton. Educated in Wingate High School, Wake Forest University, and Southern Seminary.

He was married first to Letha Dale Carter. God blessed them with three children: Ruth Janet, Edwin Carroll, and Mary Elizabeth.

After the death of his wife, he later married his deceased brother's wife Effie Daves Tarlton.

He served six churches as pastor: Rich Square, Woodland, and Mt. Tabor all of Eastern North Carolina. Also Cliffside Baptist Church of Cliffside, McGill Avenue of Concord and Zion Baptist Church in our association. He was Pastor Emeritus of Zion for ten years.

He was Trustee of Gardner-Webb College, and also served as Trustee of Wingate College.

On November 26, 1986, he received a message in the night that his daughter, Libby, wife of Missionary George Senter, Missionaries to Liberia, and his beautiful ten year old Granddaughter, Rachel, had been brutally murdered by one of the natives. No one who knew him will ever forget how he and his beloved wife, Effie, proved the power of God over suffering and sorrow.

Brother William Valentine Tarlton, "well done thy good and faithful servant!"

Respectfully submitted,
Rev. W. Marion Adams, Chairman

DEDICATION

By recommendation of the Resolutions Committee at the Tuesday evening session of the annual meeting, 1990 Minutes of the Kings Mountain Baptist Association are dedicated to the Memory of Rev. Wilson Woodrow Padgett and Rev. William Valentine Tarlton.

IN MEMORIAM

Wilson Woodrow Padgett was born December 9, 1918, in Rutherford County, son of Mr. and Mrs. George H. Padgett. Educated in Harris (Chase) High School, Boiling Springs Junior College, Wake Forest University and Southwestern Baptist Theological Seminary.

He was married to the former Hillary Magness. They had four children: Rebecca Wilkinson, Paula Sutherland, Wilson Woodrow, Jr., and Hillary Elizabeth (Beth).

He was a member of the Board of Trustees of Gardner-Webb College, pastored churches in McAdenville, Raleigh, Rutherfordton, and for twenty-seven years pastor of Shelby's Eastside Baptist Church leading that congregation in the construction of its beautiful new facility on Wyke Road. He was for twenty-nine years chaplain of the Shelby Fire Department, for which he received the Governor's Award for outstanding service.

A beloved husband and father, a loving and compassionate teacher and pastor. A friend of rich and poor. God bless the memory of Rev. Wilson Woodrow Padgett.

Respectfully submitted,
Rev. W. Marion Adams

History Of
Elizabeth Baptist Church

Elizabeth Baptist began as a dream placed in the heart of Elizabeth Love Wilson in the late 1800's. According to reliable sources, this saint of God would bring her cow to graze upon the grassy land where the church now stands. As the cow grazed, Elizabeth prayed, often with another early saint of the congregation, Mary Jane Borders Mauney. As the two women sat they saw more than a cow grazing. They saw a church combatting the evil influence of a nearby liquor still and providing a place of worship closer than the seven to fifteen miles people were traveling one way over rough roads at that time.

Early in 1883 God sent C.F. Felmet to lead the people of this community in a brush arbor revival. During this revival or shortly thereafter, a Sunday School was organized. In September of the same year, the congregation petitioned for membership and was accepted into the Kings Mountain Baptist Association as a new church.

The first building was constructed in 1884. Another building constructed in 1940 with a seating capacity of 500 was struck by fire in December 1954. The only remains was burned and scarred brick. But out of the ashes, a spirit arose which stood against all odds. Elizabeth Baptist Church, using the facilities of nearby Elizabeth School, continued to minister, to sacrifice, and to pray. Eight hundred and two days later on Sunday, February 24, 1957, they entered what the Biblical Recorder referred to as "one of the most attractive churches in the state and beyond."

Under the leadership of our Lord, we have continued in the heritage left to us by our spiritual forefathers. Through prayer and sacrificial giving of time, talent, and money, our church is affecting lives from Cleveland County to the ends of the earth.

Rev. Jeff Brendle serves as pastor, Mr. Mike McGee as Minister of Music and Mr. Joe Collins as Minister of Education. The current membership is 1,096.

History Of
Pleasant Grove Baptist Church

In the summer of 1877 a brush arbor revival was held in the community. From this meeting a very definite need for a church in the community was felt by the laymen and women, who called a presbytery of pastors and leaders from surrounding churches. Fifty-two came from New Bethel Baptist and forty-seven from New Prospect Baptist Church. On October 11, 1878 a church was constituted.

After the church was organized, Allen Hamrick donated four and three-fourths acres of land and other members gave lumber and many hours of labor. The new building was dedicated to the service of our Lord and Saviour Jesus Christ. The church was named Pleasant Grove because of its location in a grove of trees.

The first pastor, Rev. J.P. Styres was called in 1878. A Sunday School was organized in 1879 and the church was admitted to the Kings Mountain Baptist Association in 1880. Nine men from Pleasant Grove have answered the call to go into full-time ministry. Because of the dedication of it's pastors and laymen of the past, the church has made significant advances and the cause of Christ enhanced greatly.

Rev. Charles J. Tomlin, our pastor of four years was appointed on October 9, 1990 as a missionary to Germany. He is to serve as a general evangelist and church planter. His wife, Teresa, will support him through church and home ministries.

Current membership is 377.

DIRECTOR OF MISSIONS REPORT

Strategy Planning - Strategy Planning - Strategy Planning

I hope that caption helps you to be aware of how much Strategy Planning has dominated our time, energy, and thoughts.

Planning in and of itself is a larger part of the work of a director of missions. It is his job to discover those needs in the area of our responsibility and then put together a package of approaches that will channel the energies of the association to meeting the objectives.

We have been in that process for the past eighteen months. I am so grateful to our Strategy Planning Committee for the thorough and excellent piece of research. Those who shared in the Strategy Planning Retreat did a good job of taking the needs discovered by the committee and turning them into priorities.

Then it became my opportunity to take the priorities and translate them into workable plans that would be understood and responded to by our churches.

Messengers to the annual meeting were provided copies of the Strategy Planning Report to be considered at our annual meeting. Pastors were encouraged to meet with their respective messengers and help them to understand the document and the opportunities it represents.

At our annual meeting we will face decision time. That is the way it is and the way it ought to be.

The Kings Mountain Baptist Association will adopt from these programs a game plan for the next five years or more. The fact that I will be retiring sometime in 1991 should not cause any lack of progress in being and doing missions right here in our own Jerusalem.

It is my prayer and would be my greatest joy to see the next chapter in the history of the Kings Mountain Baptist Association to be the greatest ever!

Your Director of Missions,
Cline W. Borders

What better way of showing our love for others than by sharing. Thank you so much for sharing through our Church and Community Ministries. This past year has been one of increasing requests for assistance. Many needs have been met but there are so many that we have not been able to meet them all. We humbly request your continued support and concern over the needs of those in our community.

Bear in mind the words of our Lord found in Matthew 25:40, "When ye have done it to the least of these my brethren, ye have done it unto me."

EXECUTIVE BOARD REPORT - 1990

Three regular meetings of the Executive Board were held on Monday evening during the months of January, April, and July 1990. Church hosts for the meetings were: January - Beaver Dam; April - Bethany; and July - Buffalo.

New pastors and new Board members were recognized and welcomed at each meeting. Reports of our Director of Missions, Director of Church and Community Ministries, the various associational committees, and the Clerk Treasurer were presented at each meeting.

At the January meeting, a report was given that the Strategy Planning Committee had begun the work assigned them at the 1989 Annual Meeting to take an intensive look at "why" and "how" we do missions in Cleveland County. The plans will set the direction of the association for the next three to five years. The goal was to have a completed report by September 1990.

At the April meeting, the association approved the following: 1) Adopted a revised job description for a new Church and Community Ministries Director. 2) Established "Bob Davis Endowment Medical Fund" in honor of our former Church and Community Ministries Director. Monies for the fund were donated by Mr. & Mrs. Bud Talley. Interest from the funds to be used for medical needs through the CCM Department of the Kings Mountain Baptist Association. 3) Gave permission to the Executive Committee of the Kings Mountain Baptist Association to administer funds to Billy Roberson from the Billy Roberson Educational Fund. 4) Offered guidance and support to Vision Baptist Cathedral by forming an Advisory Council composed of interested persons in the association of churches.

At the July meeting, Dr. Buddy Corbin, chairman of the Advisory Council formed to give support and guidance to Vision Baptist Cathedral, shared information concerning problems that had occurred with the new church. A lease agreement was made, meetings held, and enthusiasm began to build. A resolution was drawn up between the association and the new church but was never finalized. The relationship deteriorated and the Advisory Council chose to terminate the relationship. The Executive Board voted to pay funds due Hoyle Memorial Methodist Church for the lease agreement which was made during the time we were trying to finalize a joint resolution with Vision Baptist Cathedral.

Dr. Corbin stated the desire of the Advisory Council to continue the idea of generating a Southern Baptist Church in a predominately black community and to seek a pastor to enter such an agreement. The Board took action to set aside $3,000 fromthe general fund for the Advisory Council to use to explore their idea. The motion was amended to pay the $1,400 due Hoyle Memorial Methodist Church from the $3,000 and the balance of $1,600 be used at the discretion of the Advisory Council to begin a new work.

The Executive Board took action on the following on September 18, 1990 in a called meeting held at Bethel Church.

1) The Board unanimously approved the CCM Search Committee's recommendation to call Rev. Charles Reed as Director of Church and Community Ministries of the Kings Mountain Baptist Association. 2) The Board approved that the CCM Search Committee be permitted to remain together as a group to serve as a support group for Rev. Reed and a liaison committee between him and the association for a period of at least one year.

Following each regular meeting host churches provided refreshments to the Board members during a fellowship time.

Thank you for your continued support to the association.

Respectfully submitted,
Mr. Jimmy Greene
Clerk-Treasurer

SUNDAY SCHOOL REPORT

I am delighted to report to you that Sunday School enrollment and average attendance increased this past year. We still lack data from three churches, but the numbers received from the other churches show increases for Sunday School this past year. The importance of the Sunday School in Southern Baptist life cannot be over stressed. The Holy Spirit's work through the Sunday School has been the fountain for soul winning, growth, attendance, and income for our churches.

An article in "Christianity Today" recently said that one of the problems Sunday School is having today is that we are in an age that detests commitment. I want to recognize someone who can be a role model for commitment. Mr.W.H. "Coot" Lutz has completed thirty-nine years of perfect Sunday School attendance, that's commitment. He has also completed fifty years as a Sunday School teacher, that's service.

The first major activity of the Sunday School council or ASSISTeam this year was Here's Hope Sunday School Committee training on February 11 at Patterson Springs Church. Because the ASSISTeam thought that the energies of our association should be directed towards the "Here's Hope" revival, the spring teacher training workshop was cancelled.

A Vacation Bible School Pre-planning Conference was led by Denise Smith on Monday, February 12 at the Baptist Center with approximately 20 in attendance. VBS materials for 1990 were previewed and suggestions were shared regarding recruiting workers and organizing for a successful Vacation Bible School.

On Saturday, April 12, the Vacation Bible School Training Clinic was conducted at Elizabeth Baptist Church under the leadership of Denise Smith. The five hour, one day format was offered in response to evaluation cards turned in at previous years clinic. There were 56 in attendance.

Capping off the decade-long 10-90 Sunday School emphasis was the "Final Four Rally" May 8th at Boiling Springs Baptist Church. The 10-90 campaign was an effort to achieve a goal of having 10 million enrolled in Southern Baptist Sunday Schools at the end of the 1990 church year. The "final four" months of the campaign followed the rally in May. Dr. Ken Hemphill, pastor of the First Baptist Church in Norfolk, Virginia was the keynote speaker. Because Norfolk First Baptist has one of the fastest growing Sunday Schools in the SBC, there was a seminar time with Dr. Hemphill in the afternoon on how his church does Sunday School.

The final associational Sunday School event of the 1990 organizational year was the Associational Training School September 10-11 at Elizabeth Church. Joe Collins directed this school. There were 46 who attended the outreach emphasis studying the book, Evangelism Through the Sunday School. The Bible Teaching series for preschoolers, children, youth and adults had 61 in attendance with a total attendance of 107 representing 29 churches.

The ASSISTeam was saddened when the Lord called our Homebound Director, Rev. W.V. Tarlton, home to heaven. Brother Tarlton had been Homebound Director for eight years.

Our association was blessed to have such a knowledgeable team: Denise Smith, Adult and VBS Director with ten years of service; John Hunter, Teaching Improvement Director with eight years of service; Joe Collins, Outreach Director with three years of service; Janet Brown, Preschool Director with two years service; Ruth Whisnant, Children's Director with one year service; and Bridget Allen, Youth Director with nine months service.

Respectfully submitted,
Royce Ballew,
Sunday School Director

WMU REPORT

Having had a great year 89-90, we are looking forward to an even better 90-91 year. I thank you for your support, your prayers and your actions in time of need.

This report is based on churches who have sent in their yearly reports, so it is not 100% correct due to some not being included in the figures.

We have three new Mission Friends organizations, one GA organization and one Acteen organization. And one WMU program was started. Praise the Lord for these new works. We also have 53 new members.

On November 6, 1990 the Baptist Women will sponsor World Day of Prayer. Sixty-five percent of our churches participate in this Day of Prayer for home and foreign missions and also in church-wide mission study.

Our Annual Spring WMU Meeting was held April 23, 1990 with approximately 125 present. Five council members attended a conference at Fruitland in June. Many of our WMU groups in our churches participated in raising money and collecting toys for our Christmas Toy Store. Many also helped as volunteers in many of our CCM ministries. The Baptist Women sponsored a Salad Sampler/Mission Sampler Supper this past year. The Acteen Activators shared in missions trips, Vacation Bible Schools and Backyard Bible Clubs in the summer. Our GA's participated in many mission projects , had missionary speakers and helped other new organizations get started. Mission Friends were treated to an outing of games, fun and fellowship and also hearing missionaries speak.

In September we held our regular annual workshop for all officers of the churches to equip them with our new theme and materials that are available for 90-91. We had 147 present for this workshop.

My vision for the year 90-91 is to see that at least 3 of the 9 churches without WMU programs will start one this year.

Respectfully submitted,
Frances B. Cline, Director

BROTHERHOOD REPORT

It is an honor and a privilege once again for me to address this group about our Associational Brotherhood.

Brotherhood is all about men in missions and we have many men in our 74 area churches who have participated in various mission projects across our association this past year. These activities have covered a broad spectrum from raking leaves to providing emergency power during ice storms.

We were especially pleased with the response to the Cleveland County Fair Prayer Breakfast this year. Over 120 fair personnel were served breakfast under the Bingo tent. Our Brotherhood men served eggs, pancakes, biscuits,sausage, juice and coffee. Following the meal we had a short devotion during which the Gideons handed out New Testaments. We will never know who and how many were touched by this experience, but we feel it is one of the most worthwhile mission projects of our association.

The goal of our Brotherhood organization this past year has been to fulfill the scripture as outlined for us in Matthew 25: 35-36. As a new decade unfolds we look forward to serving our church communities with a renewed energy and dedication based on the example that Christ has set for us.

Respectfully submitted,
Harold Wright,
Brotherhood Director

MUSIC REPORT

Our new year began Thursday, October 26, 1989 at Putnam Church with a look at, "Electronics and the Synthesizer: The Future of Church Music." Fourteen people from eight different churches came to this clinic led by Mike Peters of Reliable Music of Charlotte.

On Thursday, November 9, 1989, we had a Minister of Music Fellowship/Meeting at Fallston Baptist with only three in attendance but we had a great time. Mike McGee of Elizabeth Church led us in promotional ideas for church music.

Sunday, evening, February 4, 1990 was a highlight of the year with the "Here's Hope" Revival Rally held at Cleveland County Fairgrounds. Over 150 choir members from our churches helped with the singing during the worship. Christian recording artist, Derek Sexton, presented a mini-concert. Patti Collins, from Kings Mountain Baptist Church also sang and I played the offertory on the saxophone. Rick Harwell, from Kings Mountain Baptist, was the accompanist and Terry Gold, from Putnam Memorial, was the sound technician.

Two days later, on February 6, we had a Music Directors luncheon with three directors in attendance who helped make decisions for our Choral Clinic and Final Four Rally. Tuesday, March 6, a called Music Directors Planning Fellowship Luncheon was scheduled. Ten music directors attended.

Thursday, March 8th an Associational Choral Clinic was held at First Baptist, Shelby. Approximately 150 choir members representing five churches attended. Many expressed interest in making this an annual event.

Saturday, April 28 our Annual Choral Clinic was held at Dover Church. This was designed for the smaller church, but everyone was encouraged to attend. Dr. C. Oland Summers of Gardner-Webb College, Mike McGee of Elizabeth Church, Sally Bozard of Boiling Springs Church, Beth Heffner of Dover Church, and Leusette Tweed from Asheville Music Supply helped led this clinic. Jeannie Tillman accompanied on the piano and the Elizabeth Handbell choir played for one of the anthems.

Tuesday, May 8th was the Final Four Rally at Boiling Springs Church with twelve of music directors helping with the singing. Tuesday, August 28 another luncheon was held with our Music Directors. Eight attended and helped make plans for our Annual Associational Meeting in October.

During the year I have attended most of the Missions, Executive Committee and Executive Board meetings; led hymns at special associational meetings and services; attended Key Leadership at Ridgecrest; helped place music directors in various churches in our association; provided music information to both pastors and music directors whenever possible; and have been a friend to those who were experiencing frustrations in their ministry.

Three associational music newsletters were mailed to all music directors in our association. Special thanks to our Zone Directors, who helped spread news and obtain information. They were: Rod Mauney, Evelyn Bridges, Doreen Payne Wacaster, Ladell Shields, Charlton Bozard. Marla Bralley, Mike McGee, and Beth Heffner.

This coming year Charlton Bozard, Minister of Music at Boiling Springs Church, will serve as your new Associational Music Director. Charlton is an extremely talented musician and will be an asset to our association. Please lift him up in your prayers.

Respectfully submitted,
Beth Heffner,
Associational Music Director

HISTORIANS REPORT

My report on is divided into three parts. I had previously planned to report how the 74 churches of our association got their names, but now some other happenings seem to be more timely. Today, I will tell you how this host church, Elizabeth, got its name and tell of the others at a later date.

James Love, who 150 years ago gave most of the land now occupied by the city of Shelby, had a beautiful daughter. In the course of time she fell in love with and married a handsome man from this community named Thomas Wilson. He was a hard working, enterprising young Scotsman and eventually owned about 2400 acres of land, including this church property and the famous mineral springs down the road, first known as Wilson's Springs and later Cleveland Springs.

This young lady was so nice, such a good neighbor, dutiful wife, mother, and Christian citizen, that in 1883 a newly constituted church at this place chose her name for its own. Her name was ELIZABETH which means "promise of God." Elizabeth Love Wilson.

Part two is about celebration of anniversaries. Polkville had one for its 50th birthday. I was involved since I was the only surviving member of the presbyter which constituted and organized this growing and very progressive church in the summer of 1940, before World War II. However, many of the charter members still survive and were present for impressive services. If Polkville's gracious pastor, Rev. Alton Martin, is still around in the year 2040 A.D. and I am still around, I hope he will invite me to their centennial.

Part three of this report is about missions, home and foreign. A number of notable events occurred. One group from Zion went to Honduras in Central America to construct and repair mission property. Another went to Brazil for evangelistic efforts. Ten workers from our association have just returned from Poland and a 10,000 mile mission project near Warsaw. They included: from Double Springs, Jennings and Macy Brooks, Gaines and Lela Belle Washburn, from Boiling Springs, Jimmy and Nancy Blalock, Dorothy Edwards, Heyward and Margaret White, and Cline Hamrick. Mrs. Blalock and Mr. Hamrick will give a short summary of their Poland trip.

Historical Blue Ribbons go today to Rev.Richard Plyler in his 28th year at Patterson's Grove and to Dr. Gene Watterson in his 22nd year as pastor of Shelby First Baptist Church. Dr. Watterson also brings honor to the association as president of the North Carolina Baptist State Convention. Only two other men from this association have ever held this prestigious office; Dr. Zeno Wall four times in the 1930's and Rev. John W. Suttle in 1948. Dr. Columbus Durham was general secretary of the convention for several years around the turn of the century.

W. Wyan Washburn, Historian

ORDINATION COUNCIL REPORT

The Ordination Council of the Kings Mountain Baptist Association was granted the privilege to examine candidates for the purpose of ordination 1989-90.

On October 11, 1989, Double Shoals Baptist Church requested an examination of Brian Johnson, whom they had called as pastor effective January 1, 1990. After questions on pertinent areas related to his call and responsibilities of the gospel ministry, a unanimous recommendation for his ordination was shared.

Dover Church shared a request with the Ordination Council on March 5, 1990 for the examination of Ervin Price for the gospel ministry - Mulls Memorial Baptist Church having called him as pastor and Dover Church being his home church. The Council met March 8, 1990 at the Baptist Center for this occasion and unanimously recommended his ordination be pursued.

This year our Ordination Council was composed of Mrs. June Lee, Mrs. Recca Bingham, Rev. Ken Cobb, Rev. Phillip Reynolds and Rev. Dan Jolly, Chairman.

1990
BRAZILIAN PARTNERSHIP REPORT

Volunteer missionaries this year were Rev. Broadus Heatherly, Rev. Royce Ballew, Dr. Hugh Richardson, Dr. and Mrs. Harold Fite. The group departed August 30 and returned September 12. There were twenty-five professions of faith from the work of this trip and 2,000 Bibles were given to Brazilians who did not have a Bible.

O.D. Martin, State Partnership Coordinator, has asked each association to contribute $750.00 towards training and equipment. This money will be used to strengthen the evangelism project in each Brazilian association.

A total of $2,377.00 has been contributed to the Kings Mountain Baptist Association for the purchase of land within the Sul de Capital Association. A church will be built on this land once it is purchased. Funds will be sent to the Foreign Mission Board for disbursement to the Sul da Capitol Association in Sao Paulo, Brazil.

The next evangelism mission trip will take place April 16-May 6, 1991. Many volunteers are needed. Training will begin in January 1991.

David R. Swann, Chairman
Brazil Task Force

EVANGELISM COMMITTEE REPORT

"Here's Hope Jesus Cares for You", these words have been etched in the hearts of residents of Cleveland County, and our nation. Why? Because Southern Baptist and Kings Mountain Baptist joined forces in March and April of 1990 in simultaneous revivals to reach the lost of our country and our county.

Preparation for this great revival took over a year, and was worth every penny spent. Hear this, 58 of our 74 churches in the Kings Mountain Baptist Association participated in the "Here's Hope Jesus Cares for You" revivals. Partial results from 33 churches in our association reveal 103 professions of faith and 738 other decisions. Estimates from the Home Mission Board project 101,000 professions of faith and 22,500 churches participating.

The Evangelism Committee would like to thank Rev. Robert Collins, Chairman of the Associational Steering Committee and those members of his committee who served to make these revivals such a great success in Cleveland County.

In the next few months you will be hearing about the Witness-Giving Life Revivals scheduled for April 7-21, go ahead and put these dates on your calendar now.

Respectfully submitted,
Alton Martin, Chairman
Evangelism Committee

ADVISORY COMMITTEE REPORT

In July 1989, the Executive Board of the KMBA met and voted to "offer guidance and support to the development of a Southern Baptist church in a predominately black community." Since that time an Advisory Committee was formed. This committee was to be composed of churches and leaders who are supportive of the idea. Since that time, the Advisory Committee has met regularly to discuss the possibilities. Over fifteen churches in our association have gathered to hear needs and to forge plans to develop the work, when presented.

In April 1990, the Vision Baptist Cathedral presented itself to the Kings Mountain Baptist Association Advisory Committee and dialogue continued until the church and the association decided not go ahead with plans. In June 1990 the Advisory Committee met and agreed to work with New Jerusalem Baptist Church. The church and her pastor, Rev. Zavier Terrill, signed a joint resolution agreeing to develop a mission church and to enter into a cooperative relationship.

Since that time, another work has surfaced in the Kings Mountain area. Rev. John Houze expressed interest in being a part of the Kings Mountain Baptist Association. On September 11, the pastor of the Northwoods mission joined Rev. Cline Borders, Dr. John Sloan, and Dr. Buddy Corbin for a tour of the Northwoods section of Kings Mountain. On October 7, Rev. Houze led the first service of the mission church in Northwoods. Seventeen people were present for Sunday School and thirty-nine for worship.

On October 25 the Advisory Committee met to discuss the future plans of both New Jerusalem Baptist Church and the Northwoods project. It was recommended by those churches present (10) that the association support these two works with financial and prayer support. The recommendation was moved, seconded and unanimously supported. The Advisory Committee also voted that the "officers", Buddy Corbin, Delbert Lee and Bob Lamb, will meet monthly beginning November 15 and the larger committee will meet quarterly to develop further plans.

Respectfully submitted,
Buddy Corbin, Chairman,
Advisory Committee

MEMORIALS COMMITTEE REPORT

This is the part of the program to which we come with mixed emotions. A time when we memorialize those no longer with us, but we do rejoice that our beloved departed are a part of the Eternal Kingdom. Our Lord did not lose them in giving them to us and we do not lose them as they return to Him.

In these moments of loving remembrance we are mindful of the going-home of a number of God's people and our co-laborers. There are the missing voices and faces in our homes, churches, and communities, but this is also a reminder that God still loves and desires even closer fellowship with His followers.

May our hearts be so stayed upon God's faithfulness, goodness, and walking with Him until we may one day sit down together in His Heavenly Kingdom. Because of Jesus, we are sure of our saved loved ones eternal destiny and everlasting communion with God. Because of Jesus our beloved departed are experiencing the absolute, unshaken, and unchangeable reality of Gods eternity. "Blessed Be the Name of The Lord."

May we now pause in loving remembrance of those who have gone on to become occupants in Heavens glory: 273 lay people, 13 deacons, 3 pastors - Rev. W.V. Tarlton, Rev. Wilson Padgett, and Rev. Bill McGinnis.

Respectfully submitted,
Cecil Buff, Chairman

MEMBERSHIP COMMITTEE REPORT

The Membership Committee heartily recommends that Christopher Road Baptist Church be brought into full membership of the Kings Mountain Baptist Association.

The Membership Committee heartily recommends that the New Jerusalem Baptist Church be brought under watchcare of the Kings Mountain Baptist Association.

Chairman C.O. Greene was unable to function due to physical problems and asked that I poll the Membership Committee concerning these two requests. Members polled were C.O. Greene, Buddy Freeman, and Willard Boyles who approved the recommendations. Paul Fulton was out of town when the poll was taken.

FINANCE COMMITTEE REPORT

The work of the Finance Committee this year has been marked with a sense of optimism and a spirit of celebration as we have rejoiced in that which you as an association have done. You have been faithful stewards of your resources and you have contributed well to the tasks and ministries we continue to share together. In response to the budget needs presented last year during the annual meeting, you forwarded $181,362.68 from your churches to the work of the Kings Mountain Association. You are to be commended for such a notable record of achievement.

The work of the Finance Committee is multi-faceted. One of the tasks with which we as a committee are charged is that of the promotion of healthy stewardship among our churches. One of the major efforts at stewardship development focused on the idea that the Christian life involves both witnessing and giving. Indeed, we are who we are because our Lord gave Himself for us and, in the Providence of God, someone gave a witness to his love in our lives. Because Christians are folk who must be faithful both in witnessing and in giving, and because these dynamics are inseparable, we joyously share with you an exciting development among Southern Baptist.

Coming off the tremendous success of the "Here's Hope: Jesus Cares for You" campaigns of last year, the Southern Baptist Convention's Stewardship Commission joins with the Department of Evangelism of the Home Mission Board in promoting a series of revivals in 1991 to be followed in the succeeding years with other opportunities emphasizing these themes. In June 1990 a "Witnessing-Giving Life Seminar" was sponsored by the Baptist State Convention and made available through the Associational Finance Committee. The dinner meeting at Ross Grove Church was well attended, and the "Witnessing-Giving Life Revivals" of 1991 were promoted. These revivals will be similar in preparation to the Here's Hope revivals of 1990. The format will also be very similar, but there will be additional services for the development of good stewardship among believers. The recommended dates for the "Witnessing-Giving Life Revivals" in our area are April 7-21, 1991.

As a part of the commitment to this revival concept, I will ask the Moderator, Director of Missions, and the Director of Evangelism to join me in signing a declaration of Commitment to the "Witnessing-Life Giving Revivals.

The second major responsibility of our Finance Committee is that of preparation of a proposed budget for the Kings Mountain Baptist Association. It is my joy to present this budget to you at this time., The proposed budget represents an increase of $18,954.29 over last year's budget, an increase of 9.05%. as was noted last year, the proposed budget is a compilation of the requests from both associational staff, committee chairpersons, and heads of organizations. Recommendations for staff salaries and housing allowances increases are at the 5% level. Other changes have been explained in the notes that are affixed to the budget you have received.

We feel this to be a healthy budget. We feel that it is challenging enough to motivate us to do our best, yet not so overwhelming as to be oppressive. Our behalf of the Finance Committee I move the adoption and the support of the Proposed Budget , 1990-91.

Respectfully submitted,
Bruce Rabon, Chairman

NOTES REGARDING CHANGES IN BUDGET:

1.Salaries and housing/utilities allowances have been increased by 5%. The salary for the C.C.M. Director does not reflect this change, since he was called and employed at a stated salary package.

2. Mr. Borders has been covered by a long-term-disability policy with the SBC Annuity Board, at a cost to KMBA of $52.50 per month. The Board's policy states that there is a 6 month waiting period before one is eligible for disability payments, and no coverages will be extended beyond age 65. Since Mr. Borders turns 65 in April, he has satisfied the requirements for payments to the disability insurance. Consequently, the funds heretofore allocated for disability have been directed to his retirement package.

3. The Baptist State Convention no longer pays retirement for C.C.M. Directors, as it did during the years when Mr. Bob Davis was employed by the Association. This item must now be covered by the C.C.M. Director's employer.

4. Mr. Charles Reed will have his health insurance coverages provided for him by the Home Mission Board upon his appointment by the Board. This figure represents the cost of his health insurance during the approximate three-month period in which he awaits appointment by the Board.

5. Allocations shown in the budget reflect the specific requests of staff, committee chairpersons, and/or heads of organizations.
